REPORT ON NORTH CAROLINA BAPTIST COLLEGES

You will note that in giving a title to this report it has been defined as "Report on North Carolina Baptist Colleges." Such terms as "Christian Education," "Christian Higher Education," and "Baptist Colleges" are in common usage today. They are not exactly synonymous. We usually refer to Christian Education in the broader sense, denoting every type of training and activity which we provide in our homes, churches, communities, schools, colleges, and seminaries for the purpose of Christian growth. Our goal then should be to provide our children from birth with an environment that is totally Christian.

Such a concept requires that we make the training in our homes and churches Christian in every aspect as we prepare our youth for college. But in this report we are more directly concerned with the role and ministry of our seven Baptist colleges. In our colleges we are dealing with a fine group of students from other than the Baptist denomination; therefore, the work in our colleges requires a somewhat different approach. The whole program of the Christian college must have a sound academic base, furthermore resting upon and permeated by an unapologetic Christian philosophy.

Now let's look at the young people who are living in these seven college communities for the greater part of each year. There are approximately 8,000 regular students enrolled, with another 2,000 who do special work and come for summer school. Two-thirds of these are Baptist young people and the other third young people of other denominations. We are happy to help this group from the other churches because three-fourths of all Baptist youth in college are in other than Baptist colleges. This is why we must be careful to continue to provide a good ministry

through the Baptist Student Union in all colleges along with and in addition to the work in our Baptist Colleges.

The annual operating budgets of these seven colleges total between eleven and twelve million dollars. Students pay some over half of this total and Baptists through the Cooperative Program this last college year paid about five percent of the operating costs. The special convention Committee of 21 members brought its report to the special session in Greensboro on May 4, and all the report and actions taken relate to this matter of trying to help these seven Baptist colleges meet the growing needs of these young people. The operating needs would be helped by freeing all the regular Cooperative Program funds for operation only. The special convention approved this idea by adopting a Program of Advance for the next three years, 1962-64, through the Cooperative Program. This will give the colleges in the next three years more than $8,000,000 for plant expansion and improvements and nearly $1,000,000 for new student centers in other colleges for our Baptist youth.

What can you do to help?

(1) Be informed and concerned.
(2) Encourage your best students to attend.
(3) Pray for these schools.
(4) Support the Cooperative Program, especially the Program of Advance.
(5) Promote and support Christian Education Day in your church.

REPORT ON CO-OPERATIVE PROGRAM

The Co-operative Program has been maligned, misunderstood, and misinterpreted by many Baptists since its adoption in 1925.

Many Baptists are still woefully ignorant as to the true purpose and nature of the Co-operative Program. They have not been sufficiently educated or enlightened as to its true nature and purpose.

Contrary to the opinion of some, the Co-operative Program is not a Fund which is set up to collect a vast sum of money and horde it in a central location. The Co-operative Program is not a storehouse, but rather a channel through which Baptists share in the world-wide proclamation of the gospel of Jesus Christ. Did Christ not command us to go into all the world and preach the gospel to every creature? How can you as an individual Baptist go into all the world? You can't, EXCEPT as you co-operate with other Baptists to accomplish that which you could not accomplish alone. Baptists cannot stand alone. Paul said no man liveth to himself or no man dieth to himself.

To the extent that we Baptists fail to co-operate, to that extent have we failed the Great Commission. To fail Christ in this, is to be disobedient to His commands.

Do not think of the Co-operative Program as just so many dollars and cents leaving your church to go you know not where. Rather, think of the Co-operative Program in terms of hospitals for the sick and suffering. Think of the Co-operative Program as providing a Christian Home atmosphere for children orphaned and from broken homes. Think of the Co-operative Program as providing homes for our Aging in their sunset years of life. Think of the Co-operative Program as providing you and your children with fine educational institutions in which our Baptist young people can pursue the vocation to which God has called them. Think of the Co-operative Program as providing churches and mission pastors in unchurched areas of our state and nation. Think of the Co-operative Program as homes, schools, hospitals, dispensaries, churches, evangelistic services in some 44 countries around the world.

The Co-operative program is the best method to date for each and every in-

dividual Baptist to fulfill his or her personal responsibility in the Great Commission.

We, therefore, invite each church of the Montgomery Baptist Association which is not now participating in the world-wide proclamation of the gospel through the Co-operative Program to consider prayerfully this report and their own responsibility in the light of the Great Commission Jesus Himself gave to us.

HOME MISSIONS

The Home Mission Board is now serving in all the states, including Cuba, Panama and the Canal Zone. At the close of 1960 there were 2,035 Home Missionaries.

There are still churches not being served by the Home Mission Board. They are making special efforts to organize 15 new associations annually, and the board is seeking to render special service to these.

The Home Mission Board is promoting the following programs of work:

1. A program with Chaplains.
2. A program of Language Ministries.
3. A program of City Missions.
4. A program of Associational and Pioneer Missions.
5. A program of work with National Baptists.
6. A program of Evangelism.
7. A program of church loans.

The distribution of funds is as follows by percentage:

1. 62.7 per cent for Pioneer Mission areas.
2. 14.8 per cent for Language Missions.
3. 9.7 per cent for work with National Baptists.
4. 7.9 per cent for Mission centers.
5. 4.9 per cent for all other ministries of the Board.

Virgil Holloway

FOREIGN MISSIONS REPORT

Through the years as I have had the privilege of hearing the Foreign Missions Report brought before various associational meetings, it would seem the general tone has always been the same. While we as a rule are proud of what Southern Baptists are doing to support Foreign Missions we question whether or not we are meeting the challenge of reaching those without Christ as God would have us to or do we deceive ourselves when we proudly claim the title of "Missionary Baptists."

As of May 1961 the total number of foreign missionaries in active service for the Southern Baptist Convention was 1,500. There were 137 appointments during 1960 and 31 from January to May 1961. The appointment goal for all of 1961 is 160. The board expects to have 2,000 missionaries under appointment by the close of Baptist Jubilee Advance in 1964. At the end of 1960, there were 786 urgent requests for new missionaries.

Southern Baptists now have missionaries in 45 countries. Three additional countries were reached in 1960.

Mission work is carried on through a varying number of institutions on each mission field--churches, schools, hospitals, publicati n plants and good will centers. All are interactive and the goal of each is evangelization. There were 31,107 baptisms during 1960 and church membership reached 452,975.

We should and do praise God for each of these, however, again we are forced

to ask ourselves, "Are we failing in the Great Commission of our Lord?" If we answer yes, then we should ask, "Why?"

Dr. Cauthen, executive secretary of the board has said: "The missionary interprise must go forward upon the prayers of God's people." When we pray in faith believing God will guide if we are willing to accept His guidance. "The prayer power has never been tried to its full capacity in any church," said Hudson Taylor. "If we want to see mighty wonders of divine grace and power wrought in the place of weakness, failure, and disappointment, let the whole church answer God's standing challenge: 'Call unto Me, and I will answer thee, and show thee great and mighty things, which thou knowest not' (Jer. 33:3)."

Christ's command to His disciples confronts the church today. He once said "Give ye them to eat." With world conditions as they are in our world today this command should ring louder than ever before. The command points to a hungry world, an urgent task and a personal responsibility. Are we willing to meet the challenge, yea to share in this glorious privilege? Are we facing and accepting our responsibility to meet the need of a famishing world? The command is "Give ye them to eat," what is our reply?

M. D. Chrisco

STATE MISSIONS REPORT

In view of the fact that there are nearly 2,000,000 people above the age of nine who live within the borders of our State without church homes, it challenges us to emphasize more and more the need of state missions.

State missions seek to teach and train the saved throughout our state through our Sunday Schools, Training Unions, Brotherhoods, Church Development Department, and Music Departments, through the Department of Evangelism an effort is made to win the lost to Christ.

A better trained ministry is promoted through the various educational institutions of our convention, support is also given to the Christian Action League; a ministry to the silent people of our state; the camp and assembly programs at Fruitland and Caswell, summer student work, student loans, the Baptist Hospital and the School of Pastoral Care, our Children's Homes, Homes for the Aged, Baptist Student Work, the Church Planning Department and other agencies and activities of our Baptist State Convention. God has also opened an effectual door for the proclamation of the Gospel by the media of television and radio.

The State Missions Program is supported by funds from the Co-operative Program and from designated State Missions Offerings which are received from various churches.

AMERICAN BIBLE SOCIETY REPORT

Voices from the past and present are reminding us of the great universal need for the Book of God, the Bible. Said John Wesley, "I want to know one thing, the way to heaven - how to land safe on that happy shore."

God Himself has condescended to teach the way; for this very end He came from Heaven. He has written it down in a Book!

"Oh, give me that Book! At any price give me the Book of God."

"Have you a Bible?" an old widow in London was asked. "Have I a Bible? What should I do without a Bible?" she replied. "It was the guide of my youth, and it is the staff of my age; it wounded me and it healed me; it showed me that

I was a sinner, and it led me to my Saviour; it has given me comfort through life, and it will give me hope in death."

Please listen to this earnest appeal of a Chinese college student: "We students want to know Jesus. We must have this Book."

The American Bible Society has been working around the clock to provide Scripture volumes for our Armed forces and Veteran Hospitals, Scriptures in Braille for the Blind, Bible records for many who cannot read and has distributed a record total of over 23 million volumes of Scriptures. Bible Portions have been provided for remote tribes so that they, too, may have something of God's Word.

Southern Baptist missionaries depend on the Bible Society for Scriptures they need for their people - Southern Baptist Churches believe in the missionary importance of giving to the American Bible Society. In 1960 Southern Baptist churches gave $151,626 to the Society.

The help of every Southern Baptist church is needed. Please send gifts to your Baptist state office marked "for the American Bible Society."

ASSOCIATIONAL MUSIC

Since the first emphasis was placed upon the Music Ministry of the Montgomery Baptist Association, we have continued to grow in this field.

In 1958, only four churches reported choirs, with a total enrollment of 100. In 1959 we increased to seven churches reporting choirs, with an enrollment of 225. The 1960 minutes show a slight continued growth, with eight churches reporting choirs and a total enrollment of 254.

Number of copies of the Church Musician ordered - 21.

The Associational Music School was held April 24th - 28th at the Mt. Gilead Baptist Church. Classes offered were - "Beginning Music Reader" - " Conducting" and "Music In Worship." The number enrolled was 34. Number of awards presented was 18. There were eight churches represented. This was a slight decline from 1959.

Our 1960 Carol Festival was held in the First Baptist Church, Troy. We had twelve churches, and eight pastors present. Our total attendance was 200.

My sincere appreciation to all of you - pastors, choir leaders, and church members for your kindness to me and your fine cooperation, during the past three years, as your music director. We encourage each church to cooperate with and assist, your new music director for 1960-61 in every way possible.

Respectfully submitted,
Mrs. Max A. Gilmore
Montgomery Associational Music Director

ASSOCIATIONAL BROTHERHOOD REPORT

We cannot boast over the year's work in Brotherhood; however, we did have one particularly outstanding meeting. The program theme for our March meeting was "WORLD MISSIONS." Rev. Gordon Weekley of Charlotte, who was our speaker for this meeting, talked on "Big Game Hunting In Africa." He talked about his missionary tour, and also showed slides of the work being done and of the many needs there. This was an outstanding program which challenged everyone who was present to give more for mission work.

This year the Brotherhood has a very worthwhile program, particularly the R. A.'s. This is a program which every church needs---TRAIN YOUR FUTURE ADULTS TO WALK IN THE STEPS OF CHRIST. The program will do this for you if it is carried out by dedicated men. If your church does not have a Brotherhood, see that one is organized.

WOMAN'S MISSIONARY UNION REPORT

The Woman's Missionary Union of Montgomery Association is made up of 53 organizations with 769 members reported. 39 of these organizations are participating in community missions. It is our goal this year, as an association, that every organization will participate in community missions. This not only includes helping the less fortunate but is basically soul winning.

In August of this year, during Sunbeam Focus Week, each Woman's Missionary Society was asked to celebrate the 75th Anniversary of Sunbeam Band. This was done in various impressive ways.

Our regular Associational meeting in April of next year will be held in a different manner. It will be combined with two leadership conferences of association-wide scope and conducted in the main by State workers. The plans are for two night sessions for those who cannot attend during the day and one day session for those who cannot attend at night. This is being done at the request of the State workers and in co-operation with the "Long Range Planning Program." Definite plans for this meeting will be announced later.

The WMU hymn for this year is "Jesus Shall Reign" and the watchword is "That thy way may be known upon earth, thy saving health among all nations."---

Psalm 67:2

TRAINING UNION REPORT

The Associational Training Union of the Montgomery Association has advanced very much during the year of 1960-1961. We organized a new union at Pleasant Grove Baptist Church. The union is off to a progressive start. We are also in the process of organizing two more new unions.

The M-Night Rally held at Forks of Little River Baptist Church was a success. We had a total of 214 present. This was the largest number the Montgomery Association has ever had for M-Night.

We have a goal set to organize two new unions next year. Also a goal for 500 has been set for the M-Night which will be held at the First Baptist Church, Troy, N. C., December 4, 1961.

The Training Union Theme for 1961-1962 is to "Lengthen and Strengthen." We are praying that God will help us to accomplish our goals and that all our churches may have better training unions. We all need to be better trained to lead our people. We desire the prayers of all Christians of the Montgomery Association. May we all grow not only in number but also grow spiritually. It is our earnest prayer to God that all the people would go and support the training unions of their churches.

Don Morris
Associational Training Union Director

REPORT ON CHRISTIAN LITERATURE

To all who see our world as a race between compassion and suicide, who believe that hunger has spawned communism, and that hunger's senior partner is illiteracy, to those shocked at the thought that nearly half the world's population is still illiterate, to those who have any hope for such a world, this report on Christian literature is presented.

When North Carolina Baptists think of their own literature, they naturally think of their state Baptist paper since 1833--the BIBLICAL RECORDER. Down through the years, it has been the one connecting link among Baptists. Not satisfied to live in the past, though, the RECORDER strives to convey its messages in an attractive, appealing manner.

Circulation which is the highest in history continues to rise. At the present time it is more than 78,000, up more than 10,000 over a year ago. The goal for 1964 is 100,000 and the help of every church is needed to reach this goal.

The Every Family Plan is best and simplest. Nearly 500 churches testify to the value of sending the RECORDER to every resident family at the cost of a four cent stamp each week--or $2.00 a year. It doesn't cost, it pays. As a starter, your church may want to get four or more people to take the RECORDER, thus qualifying for the Club Plan before going to the Every Family Plan.

ANNUITY BOARD

of the

Southern Baptist Convention

- 1961 Associational Report -

NAME CHANGE

The Relief and Annuity Board no longer exists - name-wise that is. The official name is now ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION. Deletion of the words "Relief And" from the title was approved at the 1960 Southern Baptist Convention in Miami, and made official in March of this year, when trustees of the Board voted to change the Board's charter, incorporating the new name. Baptists over the Convention are urged to use the Board's new name.

NEW MEMBERS

Total new members in all the Annuity Board's plans in 1960 increased by nine per cent over 1959, with the largest increase, 2,053, being in the Southern Baptist Protection Plan. Total membership stood at 22,578 on January 1, 1961. More than 4,000 of the churches participating in the protection program are paying the full 10 per cent dues. This is an increase of 17 per cent over the previous year.

On April 1, 1961, six states had enrolled more than 70 per cent of their churches and pastors in the protection program. District of Columbia had the highest percentage, 94. Seven states were in the 60's, percentage-wise, and 11 showed a participation of between 50 and 60 per cent. The remaining three were above the 45 per cent mark. Average participation of all states was 63 per cent.

BENEFITS

Benefits amounting to $2,745,613.60 were paid to more than 5,200 retired and disabled ministers and denominational workers or widows during 1960. A little

more than 4,200 of these were beneficiaries of one of the Board's retirement plans, and the rest were on the relief rolls. Four hundred forty six were new annuitants, added in 1960. Since the Board's beginning in 1918, it has paid out benefits totaling, $34,425,100.55.

FIELD WORK

Fifteen field representatives now serve 22 states in the Convention. The continued increases in new members in the Board's protection program in recent years can definitely be attributed to the work of education and promotion being carried out by these men within the local churches and associations.

Rev. R. T. Greene, field representative for North Carolina, has his offices at the state headquarters in Raleigh, - mailing address, 301 Hillsboro Street. He will be glad to try and arrange a time when he can come to your various church or associational meetings to talk about the Annuity Board's ministry. Rev. Greene is available also for personal conferences with pastors or church leaders. Write him for arrangements.

OFFICERS OF THE ANNUITY BOARD

Administrative officers of the Board are: R. Alton Reed, executive secretary; Floyd B. Chaffin and L. T. Daniel, associate secretaries; Fred W. Noe, treasurer and investment director; Owen Henley, assistant director of investments and Mable H. McCartney, registrar.

HOSPITAL REPORT 1961

MONTGOMERY ASSOCIATION

First of all I want to express my appreciation to Mr. Branson Haywood, Mr. Charles Nall, and Mr. Homer Hunsucker who served as "Captains" during the promotion of our annual Mother's day Offering. Without the effort of these men our associational offering would have been less than what we can now report.

Our Baptist hospital continues to try to serve our people in the best way possible. Last year it provided the largest number of days of hospital care and saw the largest number of patients in the clinics - 78,000 visits to the Out-Patient clinics, from 96 of the 100 counties of the state, and 75,000 Private Clinic visits.

Some of the newer and more recent services of the hospital include: the new Progressive Care Unit with 80 beds for patients who do not require the care of the hospital proper, a new unit for the sterilization of surgical and other equipment, the installation of a rapid film developer in the x-ray department, and the pastor's library donated by Mrs. Walter M. Williams of Burlington.

The most urgent needs of the hospital are: class rooms for the eight schools operated by the hospital, enlargement of the seriously limited Out-Patient Department, and the constant need for Mother's Day funds for helping Service Patients becomes more and more acute. In the year 1960 alone the total free service to service patients was $1,936,000.00.

How can you help (1) A new opportunity to help meet this need is now open in the Service Patient Endowment Fund, and (2) by being faithful in your gifts through your church's Mother's Day offerings. Our associational goal for the past Mother's Day offering was $2,000.00. As of September 31 we had given $1,788.56, though not meeting our goal, an increase over the previous year of $226.43. We are certainly

grateful to each of you who have made this amount possible; and may our new associational year find us equally, and even more, faithful in this great task of mercy and love.

ASSOCIATIONAL REPORT ON BAPTIST CHILDREN'S HOME

Montgomery Association. October 12, 1961

The Baptist children's homes of North Carolina, Mills Home, Kennedy Home, and Odum Home are meeting the needs of many dependent children of our state through the following services: institutional care, Foster Home care, Financial Aid in The Home, Supervision of Discharged Children, and Family Counseling and Rehabilitation. Approximately 825 children receive direct care each year; but during the last year it has become necessary to reduce the number of children being cared for in the Foster homes by 35 boys and girls due to lack of financial needs.

Last year our association contributed $2421.74 to the cause of Child care in our Baptist institutions. The goal for this year, State wide, is $400,000.00 for the annual Thanksgiving offering. As this Thanksgiving offering provided 33 per cent of the financial support last year, and as our contributions are largely given during this season of the year, it is necessary that you and I remain faithful in this Thanksgiving offering. Last year we gave $1976.69 as an association through this Thanksgiving offering. I would, therefore, like to urge us as an association to strive toward the goal of $2500.00 for this year's Thanksgiving offering.

We need to know more about the work of our homes and what they are doing. This can be done in many ways, but certainly we can understand and know more concerning their work as we become acquainted with the services listed above and find out where we personally, as a family, church or association can best be of service. May we support them in every way, especially as we make our request through prayer.

Respectfully submitted,
B. R. Hiatt

REPORT ON EVANGELISM

Many lost people live in the territory of our association. They live near our churches. In regard to their need for God they have been deluded by the powers of darkness, and numbers of them disillusioned by the lack of dedication to Christ on the part of professed Christians. In this desperate day God's people must wake up to the fact that "business as usual" will not suffice. Surely this is the time for total dedication to Christ in His purpose of winning the multitudes to God.

Let us encourage ourselves in the Lord our God for the resurging interest in evangelism across our association, continuously praying that God may work in us and through us to bring the revival we need.

Our association plans to have an Evangelism Clinic following the suggested program supplied by the Division of Evangelism. The date for our next Clinic is March 15, 1962, at the Star Baptist Church.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Suggested Associational Report
for 1961

How thrilling it is to minister to the aging in our midst! North Carolina Baptists can be justly grateful for their Christian ministry to 125 residents in their three homes-Resthaven and the Hayes Home in Winston-Salem, and the Albemarle Home in Albemarle.

With 130 people waiting for admission at the present time, lack of rooms is one of our most acute problems. North Carolina Baptists, however, are definitely doing something about this situation. The Hamilton Home, now under construction

in Martin County, is proof-positive. This, our fourth Home, will provide for 30 additional residents. It is hoped that the Hamilton Home will be ready for occupancy no later than the first of January, 1962. A debt of $275,000.00 has been assumed on this Home, and for the purpose of completing the liquidation of the indebtedness on the new infirmary at Winston-Salem. There is no further expansion of desperately needed additional facilities anticipated until the major portion of this debt is paid. Special Day Offerings and gifts from the churches should, therefore, be increased greatly in order that we may go on in the great task which is ours, and that we might meet the ever-increasing demands of the aging among us as quickly as possible.

We are now in the eleventh year of operation, and the past year has been a great one and a good one. Twenty-six new residents have been received and are now finding happiness and peace, love and security, in their new home.

The Special Day Offerings and special gifts are running 5% ahead of last year's contributions, and we are profoundly grateful to each church and to each individual for the liberal support to the wonderful cause which we represent.

The appointment of Mr. C. O. Weaver of Greensboro, N. C., as Business Administrator of the Homes has proven to be one of the greatest blessings of the past year. This dedicated layman is serving with unusual ability and insight and is making a splendid contribution to the work.

The average age of our residents is around 80, and we rejoice in the fact that the life-span is increasing for them. We are exceedingly grateful that one of them, Aunt Fannie Drumwright, reached her 100th birthday on July 6. She is the first resident in our North Carolina Baptist Homes to attain this remarkable milestone. She is the living example of the years that are actually being added to a person's life by the lovingkindness of North Carolina Baptists through the tender care of our Homes.

One of the most wonderful gifts ever made to the Homes is now coming to fruition. It is the handsome duplex apartment, made possible through the generosity of Miss Roxie Sides of Winston-Salem. This new facility, now under construction on the Reynolds Park Road site in Winston-Salem, will be occupied in the fall, we hope, and will open an avenue for four additional people.

Along with our many blessings have been the moments of bereavement which have saddened our hearts, but we have soon been lifted up in the knowledge that God has called His own unto Himself. During the past year the following persons have been called to the Heavenly Home: Mr. Charles V. Pegram, Mr. Jack Stanley, Mrs. Bertha King, Mrs. Leona Wade, Mrs. Bertha Swindell, Miss Cora Byrd, Mrs. Lillie Scott, Mrs. Lousie King, Mrs. Lillie Giles, Miss Lucy Stout, Mrs. Mattie Owen, Mrs. Mary Clontz, Mrs. Ida Ayers, Mrs. Rose Blanton.

The happiest times in the Homes ever are when friends and members of our North Carolina Baptist Churches visit us. We extend a cordial welcome to come and see first-hand the things of great Christian significance that are being experienced daily in our Homes and that can never adequately be described on the printed page.

Pray for us, visit us, and continue the same splendid support in the future that you have so graciously given in the past. Remember that we cannot go on without the love, the fellowship, and the help of every North Carolina Baptist.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

(Coleman Watkins)

The past year in our North Carolina Baptist Homes for the Aging has been one of great blessing. Of unusual significance has been the opening of our fourth Home, the Hamilton Home, located in Eastern North Carolina and enabling us to minister to 30 additional people. The residents there are supremely happy and are enjoying the abundant life in this beautiful new facility.

Over the past eleven years we have increased by 8 times our ability to minister to the aging in our midst. In the beginning, there were 20 residents, and now we are able to give loving care to 160 persons in our four Homes — Resthaven and and Hayes Home in Winston Salem, the Albemarle Home at Albemarle, the Hamilton Home at Hamilton.

The need for more space is most urgent and pressing. Today there are 138 applicants on the waiting list. We will want to move forward, therefore, as rapidly as funds will permit in meeting the crying demands of our ever-growing population of aging people who need care.

The Special Day Offerings from our churches are at an all-time high and are likely to go beyond all previous offerings by the end of the fiscal year. We want to thank all who have had a part in these vital offerings, and we would urgently appeal to every church to continue giving as liberally as possible through this vital medium. Ninety per cent of the residents who live in our four Homes are financially needy people and are sustained by the Special Day Offerings from our churches each year.

The pleas of the elderly person in our midst, "Cast me not off in the time of old age!", is one that cannot be lightly brushed aside, but one that must continue to challenge the highest and holiest in every North Carolina Baptist as we move forward in this great ministry which God has committed to us.

NORTH CAROLINA BAPTIST HOSPITAL

W. M. Helms

The services of our Baptist Hospital are subject to heavy demands which grow heavier year by year. Last year the already overcrowded clinics of the Out-Patient Department received a new high of 83,000 visits from 96 counties of the state, sixteen other states, and two foreign countries. Two-thirds of these were by our Baptist people.

One of the most pressing needs is the enlargement of the facilities of the Out-

Patient Department. Along with this is the urgent need for a building to provide adequate and unified facilities for the Hospital's eight schools for the training of skilled nurses, technicians, and other medical personnel, all of whom are in short supply and are essential to good medical care in our local hospitals and communities.

The new Progressive Care Center is attracting the attention of hospital authorities over the country. Patients have been most pleased with it. The trustees and administration greatly regret that the Hospital does not have sufficient funds to permit the admission of Service Patients to this fine facility.

The Pastors Library now contains well over 100 volumes among the best books in various fields of Christian thought and pastoral work. It can be of great value to pastors and they are invited to use it. It is located in the Medical School Library.

The care of Service Patients remains at the heart of the work of the Baptist Hospital. In cases where help will be needed on the hospital bill it is extremely important that this be made known in advance and the arrangements be made when the patient is admitted to the Hospital. When appointments are requested for examinations it is necessary to let the Hospital know if the person needs to come through the Clinic, or if he will come as a private or full-pay patient. If a doctor is making the arrangements for a patient he should be told to make clear when he calls or writes if it is a Service or Clinic Patient. Mother's Day money cannot be used for Private Patients.

The Mother's Day Fund is a foundation of the financial aid given Service Patients. The Hospital tries to help the most needy cases as much as possible, but the funds have not been sufficient to give as much as is needed in many cases. In other cases of real need it has not been able to give any help, except the free services of the doctors and reduced rates on other items, such as X-rays, which consideration is given all Service Patients. **We must remember that the help given is limited by the Mother's Day gifts of our churches.**

NORTH CAROLINA BAPTIST CHILDREN'S HOMES

(Johnny Cagle — submitted by Winfrid Allison)

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Today's children will become the adults who shape tomorrow's world. No task is more important than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizenship. It is the responsibility of the Homes to find the best solution possible. For many years that meant providing food, clothing and shelter for orphans. Today the need has changed. Today our work is with children who for various reasons have lost the security of home and parents.

During the past year, 848 boys and girls were served by the Baptist Children's Homes. In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these — **leaving 476 for whom no room was available!** Provision should be made immediately to expand greatly our foster homes program to meet the needs of these children. This can be done through an **increased Thanksgiving Offering.**

Increasingly, your Homes are being called upon to serve children who are disturbed and emotionally ill. In addition to traditional types of child care, there is a growing need for specialized supervision and services. Action has been taken, within this year, to provide, on a small scale, such services at the North Carolina Medical Center at Chapel Hill.

Financial Support this year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offering	16 Per Cent
All Other	21 Per Cent

For the first time, income to the Children's Homes through the Cooperative Program exceeds that of the Thanksgiving Offering. This source of income meets **one third** of our operating budget and is greatly appreciated. At the same time, the Thanksgiving Offering continues to be vital to our existence, providing 30 per cent of income. We sorely need an increase of one hundred thousand dollars through the Thanksgiving Offering this year. This would enable us to provide a Christian home and care for an additional 125 children.

We owe a debt of deep gratitude to our friends whose genuine concern for the welfare of our children makes this help possible — especially our Baptist people. You have afforded hundreds of boys and girls opportunities and privileges which they otherwise could not have had.

ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION

(Frank Dennis)

A total of $2,879,816.21 was paid in benefits by the Annuity Board during 1961. More than $2,654,222 of this went to approximately 4,500 ministers, denominational workers of their families who participated in one of the Board's retirement plans. The remaining amount was paid in relief benefits to 826 aged ministers and widows. During the Board's 43 years of operation, it has paid out benefits totaling more than $37,304,916.

Total membership in all plans of the Annuity Board was 23,214 on January 1, 1962. In 1961, 1,808 new members were enlisted in the Southern Baptist Protection Plan and 789 churches were enrolled. At the end of the year, 64% of the churches in the Convention were participating in the Board's program. Of this number, 43% were paying total dues for both church and pastor. The Institution Protection Program, for employees in colleges, hospitals, orphanages and other institutions of this type, enlisted 32 institutions in 1961. Five were new accounts. The others transferred from another plan to the new program.

In their April meeting, the Executive Committee of the Annuity Board voted to waive the penalty for delayed participation in the Southern Baptist Protection Plan for those who join before January 1, 1963. This action was made possible because of the continuous increase in the number of churches and pastors who have joined the Plan in recent months. At the end of the first quarter of this year, some 67 per cent of all churches in the Southern Baptist Convention had enrolled.

According to the Protection Plan certificate, a person must join within a year after he begins denominational service or after his 25th birthday, whichever is later. For each year he delays joining the Plan, his widow and disability benefits are reduced. Now, because of the trustees' action, anyone joining the Protection Plan before January 1, 1963, will have this penalty removed. The waiver affects only the Southern Baptist Protection Plan.

The waiver also removed the penalty from any person currently in the Protection Plan who may have been affected by it, and it allowed the Annuity Board to make adjustments in annuity checks to widows and disabled persons who were penalized because of delayed entry into the Plan. This adjustment was made effective with the May 31st checks.

After January 1, 1963, any person who delays joining will penalize himself according to the participation clause.

The Annuity Board now has 14 field men, working in 21 state conventions. Their program of education and promotion is conducted through state and associational meetings, on college and seminary campuses, in local churches and through conferences with lay men and pastors.

Guy Cain, field representative for North Carolina has his offices at the state convention headquarters, 301 Hillsboro Street, in Raleigh. Contact him for meetings in your church or association or for personal conferences. He will be glad to come and talk about the Annuity Board's ministry.

BAPTIST LITERATURE

(Max Gilmore)

The BIBLICAL RECORDER is deeply indebted to North Carolina Baptists for the manner in which the rate increase of July 1, 1961 was accepted. This was the first such increase in many years and frankly, there was some concern about how it would affect circulation. You will be pleased to learn that the increase has had little if any effect on the circulation of the RECORDER. Such acceptance on the part of our Baptist people provides great encouragement to the RECORDER staff and directors.

Even though the BIBLICAL RECORDER will be 130 years old next year, it continues to be as fresh and up-to-date as the morning headlines. Our state paper is solid and dependable yet keeps an open mind to that which is progressive and that which will help Baptists to do a better job.

As all of us know in our local churches an accurate channel of information is necessary. This is as true in our denomination as it is in our churches. The RECORDER is that channel to keep you in touch each week with all that Baptists are doing around the world.

In addition to keeping you informed, the RECORDER also is an open forum for discussion of issues in which all of us are interested. Being a free people, Baptists are never afraid to discuss their problems in a Christian spirit. This has been evidenced in the RECORDER during the past year.

More than 1,700 churches now have RECORDER clubs, but that number should be at least 2,000. This goal can be attained if pastors and church leaders will put forth a little special effort. The Every Family Plan, costing only 4c a week per family, is the best way as more than 500 churches can testify. Even the Club Plan is only a nickel a week or $2.50 a year.

Those connected with the BIBLICAL RECORDER consider it an honor as well as a responsibility to serve North Carolina Baptists. Keep them in your prayers during the coming year.

CHRISTIAN EDUCATION

(Mrs. Marion Parker)

There has been much emphasis in North Carolina on education. State supported colleges are springing up rapidly with more to come. A young person without a college education in this highly-competitive world is seriously handicapped.

Baptists are showing renewed interest in education, especially Christian education. Many churches have increased their Cooperative Program gifts by 35% as suggested by the State Convention over a year ago.

The Christian college functions as a community of faith and learning; a com-

munity of those who seek truth as a way of life within the context and under the force of Christian experience. And they share with others those truths which give significance and meaning to life.

The Christian college acts on the principle that one of its primary responsibilities is to educate ministers for the churches of its denomination. Yet, our Baptist tradition has always emphasized that one can be truly called of God to be a teacher, a homemaker, an engineer, a doctor, a lawyer, a businessman, or a practitioner of any other worthy occupation. Each of our seven colleges, therefore shares the responsibility for educating all of its graduates, no matter what their calling in life, so that they will possess the highest qualities of Christian manhood and womanhood, and be worthy of occupying places of leadership in the Christian community and in society.

Baptist colleges are so essential to all that Baptists are doing. If our churches are to go forward, trained leadership must be provided. A Baptist has a place in this world. The truth he bears is a great truth and the way to keep it alive is to take these institutions and support them and make them ours.

THE CO-OPERATIVE PROGRAM REPORT

(Robert Johns)

When we think of the Co-operative program, we do not think of so many dollars and so many cents. Rather, we think in terms of financial support for our "World Mission Program." Since its adoption in 1925, The Co-operative Program has been the most dependable, most satisfactory, and most rewarding means of support for our World Mission Program. It seems to me that the Co-operative Program has done as much for the Baptist State Convention and the Southern Baptist Convention as the Unified Budget has done for the Local Church. (Who would want to go back to the old plan of 'Special Offerings' etc. in meeting the various needs in the local Church?)

When we think of The Co-operative Program we think of: Christian Education, Children's Homes, Our Baptist Hospital, Homes for the Aging, The Divisions of Church Programs, Division of Missions, Division of Stewardship Promotion, Division of Evangelism, Woman's Missionary Union, Home Missions, State Missions, Commissions of the Southern Baptist Convention, Our Baptist Seminaries, and Foreign Missions; Just to name a few of the many aspects of the Baptist Program which are supported through the Co-operative Program.

How shall we be assured of fair and sufficient support for all of these vital aspects of our Baptist interests? Let us pledge ourselves to: The Co-operative Way.

THE NORTH CAROLINA BAPTIST FOUNDATION

(Ben Broadway)

The North Carolina Baptist Foundation was authorized by the Baptist State Convention in 1919. The Board of Directors organized for business in 1920. From the period of the organization until the present, the Baptist Foundation has had a rather irregular promotion.

The Committee of 25 recommended to the State Convention in 1959 that the Baptist Foundation be fully staffed and activated. It requested the Convention to adopt a budget providing for a full-time executive secretary, with the necessary travel, office expenses, etc. It was not until July 1 of this year that a full-time executive secretary was employed. For the past few months, Mr. Peyton J. Brown has served as Interim Director, without remuneration. The total assets of the Foundation

as of June 30, 1959, were $245,131.32. The total assets as of June 30, 1962, were $303,186.66. In these past three years our total assets have gained $58,055.54. This gain has largely been due to the Interim Director and our present chairman of the Board of Trustees, Mr. Brown.

What is the Baptist Foundation? The North Carolina Baptist Foundation is an incorporated agency of the Baptist State Convention of North Carolina. It was created by the Convention for the purpose of procuring endowment funds and for administering said funds for all institutions and agencies owned and controlled by the Convention. It is independent of the cause it serves, but committed to its best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all our Baptist work.

Funds usually come to the Foundation through one of five channels:

(a) Through a **CHRISTIAN WILL.** In his will a person leaves all or part of his estate with the Foundation for some Baptist cause. Of course, the Foundation then receives its share when the estate is settled.

(b) Through a **LIVING TRUST.** A person makes a donation to the Foundation while he is living. The Foundation then administers the fund and directs the income to the Baptist agency of his choice. This allows the donor to see his **gift** at work.

(c) Through a **MEMORIAL TRUST.** A person makes a gift to the Foundation in memory of a loved one and instructs the Foundation to place the income from it to one or more Baptist agencies.

(d) Through a **LIFE INCOME TRUST.** A person makes a gift to the Foundation and specifies a Baptist agency as beneficiary, but requests the income for himself as long as he lives. This permits him to receive the earnings to the end of his life and to know the beneficiary of his charity after his death.

(e) Through **LIFE INSURANCE.** A person takes out a policy in some amount in the name of the Foundation and designates the Baptist cause as irrevocable beneficiary. The premium he pays is then tax free as a chari table gift.

AMERICAN BIBLE SOCIETY

(Raymond Haywood)

"Sharing Christ with the Whole World" is the aim and theme of the Baptist Jubilee Advance. Sharing the Bible with the whole world is an essential part of this program of advance.

If the **people of the world** are to know Jesus Christ
the one hope of men and nations, they **must have the Bible.**
Each person must have the Bible in his own language
because it speaks to his heart as no other language can speak.

But, in most countries, people **cannot afford even the cost of printing** the Scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave and keep on speaking to a person's heart.

The American Bible Society is an active partner of Southern Baptists. It serves mission work at home and abroad. It helps missionaries to translate the Bible, publishes without note or comment and distributes without profit, usually below cost. For the Blind, it supplies Scriptures in Braille and other raised-letter systems

and on Talking Book records.

During 1961 the American Bible Society —

— rejoiced that some part of the Bible has been published in 1181 languages; the full Bible in 226, a Testament in 281 more and a Gospel or other complete book in 674 more.

— distributed a record total of over 24 million Scripture volumes in over 100 countries on 6 continents. Of these, more than 11 million volumes went overseas. Distribution abroad showed, for the second consecutive year, an increase of 20 per cent over the year before.

— realized anew, from sharp increases in Scripture distribution in Cuba and Congo, that the demand for the Bible often rises dramatically in areas of political tension and revolution.

— continued to enlarge the worldwide ministry of the Finger-Fono, a special phonograph for Bible records, operated by one finger, for use in areas where many people cannot read. Records are now available in 40 languages and others are being prepared.

— gave almost a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans Hospitals, as a vital link between the home churches and men in service.

— expanded its distribution of Scriptures to persons of special needs: Cuban refugees and others from overseas; hurricane and flood victims; patients in hospitals and nursing homes; inmates of jails, reformatories and prisons; migrant farm workers — and many others.

Southern Baptists Support the Work

Because the Bible Society serves mission work — and Southern Baptist missionaries depend on the Society for Scriptures they need for their people — Southern Baptist churches believe in the missionary importance of giving to the American Bible Society.

In 1961 Southern Baptist churches gave $164,342 to the American Bible Society. Methodist gifts were $163,593. Fifts from all churches in the U. S. A. totaled $1,065,649.

Southern Baptists **can continue to lead — if every church will give.** Has your church given this year? Here are suggestions, based on what many churches are now doing:

Every **church** can give **at least** these amounts **each year:**

Smaller churches	$10 to $60
Larger churches	$60 to $300
Great city churches	$300 to $600 or more

Please send gifts to your Baptist state office marked for the "American Bible Society."

A. B. S. receives — 23% from churches; 77% from other sources — individual annuities, legacies.

REPORT ON STATE MISSIONS

Mrs. Charles Martin

State Missions is that part of the work of the Baptist State Convention of North Carolina which provides twenty-two services from Evangelism to a Special Ministry to the Japanese on military bases. Nearly one million dollars is invested annually in these services. This work is under the general discretion of Dr. E. L. Spivey, ably assisted by 20 or more associates.

A successful special offering of $200,000 this year would about equal the amount

necessary to sustain five areas of work very close to the heart of the local church.

I Ministry to the Deaf — Jerry Potter and his associates undertake to minister to the more than five thousand deaf people in N. C. Classes in the churches with interpreters are taught. A program for training hearing people in the use of sign language is provided. A television program for the deaf is now well established. Five stations giving a state-wide coverage now carry this program of preaching and teaching.

II. Assistance in Associational mission program — For the purpose of providing a unified program in the District Association, for training local church leadership and assisting in carrying out the total program of the Baptist State Convention and the Southern Baptist Convention a well organized associational leadership is needed. Cooperating in this work are the Associational Missions Committees and the Associational Missionaries. Some associations are able to "go it alone" — others need financial assistance. Fifty-four of the eighty associations now receive supplements ranging from $600 to $1,800 a year.

III. Aid on Pastor's salaries — Through the years assistance in the form of supplements to pastors' salaries for churches in weak and struggling situations, churches in strateigc locations and in territories experiencing unusual population growth has been provided.

IV. Help on purchase of Church lots — In addition to helping provide pastoral leadership the program of State Missions has provided $40,000 for helping churches secure good locations for church sites. Thirty-three churches and missions are now being assisted in this manner.

V. Church Loan Fund — Due to the emphasis of the Baptist Jubilee Advance and the 30,000 Movement a new departure was taken two years ago in setting up a Church Loan Fund. At the present $25,000 is being set aside annually for this purpose. Loans have been made to some 20 churches. As these loans are repaid this fund will grow. All funds for this purpose have been expended for this year.

From the majestic peaks of the Great Smokies to the rolling waves of the Atlantic Ocean of North Carolina, Baptists are about the Master's business — preaching, teaching and healing. Were it not for the 1962 Special Offering, an anticipated $200,000, we could not carry out the work in these five areas or our total program would have to be reduced.

HOME MISSION BOARD REPORT FOR 1962

Mrs. Winfrid Allison

Your Home Mission Board is a mission agency directly engaged in evangelism through several areas of service. Its ministries, such as Chaplaincies of various kinds; Good-will Centers; City Missions; work among migrants; Indians and Language Groups, are indicative of its tremendous outreach beyond that which your local church do by itself. Indeed, it is the arm of evangelism by which you and I minister to these and other needs.

Because the Board ministers in many states where Southern Baptist Churches already exist, the Mission Board has made Cooperative agreements with 23 State Conventions in order that its ministry might not duplicate and overlap the work which the State Convention may be doing.

At the close of 1961, the Home Mission Board had 1,975 missionaries under appointment — a drop of 60 missionaries over the perious year of 1960.

During these Jubilee years, to end in 1964, the Mome Mission Board is engaged in a most intensive evangelistic effort. During this year of 1962 efforts are being made to establish 2,000 new churches, and 4,000 new missions. Special emphasis

in 1963 will be devoted to the more than 40 Language Groups living in our country.

Only as we maintain a strong and dynamic evangelistic and mission program at home, can we ever hope to answer the tremendous challenge of the world at large. Let each one of us give whole hearted support to our Home Missionaries through dedicated prayer, and by offerings through the Annie Armstrong Offering and the Cooperative Program.

FOREIGN MISSIONS REPORT

Mrs. M. A. Powers

Today our hearts are gladdened when we think of 1563 splendid Southern Baptists responding to the call of the Master in serving peoples of 51 countries throughout the world. These have gone with the supreme objective of presenting the Gospel of Jesus. About one-third are ministers who serve 475,727 members through 3,627 churches and 6,815 missions.

More than 300 are engaged in teaching. There are 38 seminaries, and 984 other schools where young people are preparing to live triumphantly, freed from illeteracy and superstitution, and blessed with Christian influence.

An unusual and most interesting phase of the work is done by 8 real farmers in Agricultural centers; 2 in Brazil, 1 in the Philippines and 1 in Israel. These men contribute great material benefit in planting and cultivating crops while the word of God is planted also.

Publications involve 57 Missionaries in 16 centers. Last year one publishing house printed 240,000 Bibles in the language of the people, thousands of periodicals and phamphlets are distributed annually.

Healing has always been a most appealing work. Yet there are only 56 doctors and 55 nurses to portray Jesus through the medium of medicine. Last year 300,000 patients were treated in 18 hospitals and 56 clinics. Certainly this is a place our work needs re-enforcement. Let us pray for the influence of Dr. Kathleen Jones from Indonesia as she speaks to N. C. nurses this week, trying to interest them in dedicating their skill to this need.

Statistics cannot measure or appraise the work which results in transforming hearts and minds, and alleviating human misery, yet we are proud to see an increase in figures even in our Association. In 1960 the Foreign Mission gift was $4,662 and in 1961, $6,152. Our best contribution, of course, has been in the Glenn Hix family.

Yes, for all these blessings our hearts are gladdened.

Our hearts are saddened today as we take another look at the two-thirds of the people of the world outside the Christian-fold, and the proportion of non-Christians increasing daily.

Do we not believe that the message of Christ, when applied, will transform character, create brotherly love, and will save the individual and the world. Could it be that America is not committed to launching missionary endeavor as she is to launching missles?

There are compelling needs in new fields like West Pakistan and West Africa and now is the time to enter. Latin America's need is urgent. Christian witness is needed the world over. Realizing this, our 3½ cents from each co-operative dollar seems too small. The Lottie Moon Christmas Offering will give opportunity for us to supplement this. Our hearts are touched by the masses of impoverished people and we say with the First Missionary, "Let us go . . . preach there also". By love compelled, we accept our part in the 1963 objective which is stated. "The enlistment of all Baptist people, churches, associations, conventions and institutions in evangelization of the people of all the world."

ASSOCIATIONAL MUSIC REPORT

Mrs. J. B. Greene

From the earliest years of the world's existance, there has been music. The Lord, speaking to Job about the creation said, "When the morning stars sang together and the Sons of God shouted for joy.' Music has been a favorite vehicle for the expression of man"s thoughts and aspirations through all generations.

Christian churches have always utilized music as an aid to the worship service, but during the past few years, there has come a new awakening to the real value of music in God's work. More individuals are preparing themselves for music service than ever before. More churches are becoming aware of the great potential of music as an experience of worship, as a means of reaching lost souls and as a worthy instrument for challenging Christians to the highest endeavor of purposeful living.

During 1961-1962, the major association-wide music emphasis was placed on the Christmas Carol Festival held at First Baptist Church, Troy, on December 10th at 4:00 P.M. On that cold, rainy, winter afternoon, there was an attendance of 208 with 13 churches represented. To those present, it was a real experience of worship through music.

May I challenge each church of our association to make fuller use of music to the glory of God.

ASSOCIATIONAL TRAINING UNION REPORT

Don Morris

We feel the Associational Training Union has made progress during the year 1962. We accomplished our goals by organizing three new unions during the year. They are Eldorado Baptist Church, Pleasant Grove Baptist Church, and White Crest Baptist. From all reports I have received these unions are off to a good start.

Our first, of two rallies, was "M" Night held at First Baptist Church, Troy. We had a total of 314 present. This is the largest attendance ever reported for this event.

Youth Night was our second rally. This was held at Troy Elementary School. There were 68 present for this event. This was the first Youth Night the Association has ever observed.

We are looking forward to a bigger and better year, with your help and cooperation.

There are several churches in our Association that do not have Training Unions. We would be happy to come and help organize a Training Union for your church. We feel that if we get a Training Union in the churches we will have a better way of training the people to be better servants for God. We especially need Training Unions for young people since some day they will be our leaders.

We desire the prayers of everyone that we may be a better dedicated Christian and to serve the Lord.

BROTHERHOOD REPORT

Daniel F. Page

"Laymen on the March" was the theme of the annual rally of Brotherhood at Biscoe Baptist Church. The rally was attended by about 45 men. The inspirational message was delivered by Layman W. F. Webster of Hickory, N. C.

The officers of the coming year 1962-1963 are John Dismuke, Vernon Nelson, Floyd Haywood, Ray Dennis, Joe Holt and Bernard Wright with pastor advisers Robert Byrd and Coleman Watkins.

WOMAN'S MISSIONARY UNION REPORT

Mrs. Jerry Niswonger

Woman's Missionary Union of Montgomery Association has received reports from 19 churches. The eleven churches reporting no missionary organizations provide a challenge for the new year.

In April two leadership conferences were held at the First Baptist Church in Troy. These replaced for the year the annual Associational Meeting. The conferences were led by Mrs. Leroy Parker, State President of Woman's Missionary Union, Miss Sarah Hobbs, State YWA Director, Miss Willa Dean Freeman, State Girl's Auxiliary Director, and Miss Delois Hamrick, State Sunbeam Band Director.

Three officers attended the state workshop for associational officers at Campbell College. A day camp for Sunbeams was held on August 21 at Star. Scholarships have been awarded to two of our young people, a student at Wingate and another at Wake Forest.

Our women join with women throughout the Southern Baptist Convention this year in celebrating the 75th anniversary of Woman's Missionary Union and the 50th anniversary of the Girl's Auxiliary. Certain goals have been projected for this year of celebration. Among these are: conducting an Anniversary Prayer Retreat, a 15%increase in members, a 15% increase in both the Annie Armstrong and Lottie Moon Christmas Offerings. A total of sixteen goals have been set up, and a society is recognized for achieving twelve of the sixteen. Members of Woman's Missionary Society seek to be "Laborers togethr with God . . . that the world through him might be saved."

ASSOCIATIONAL MISSIONS

Jerry Niswonger, Moderator

This past year has offered the churches of the Montgomery Baptist Association unusual opportunities on the associational level of work. This was due primarily to the long-range program of spiritual advance of the N. C. Baptist State Convention which program began this year and in region VI of which we are a part. One purpose of this program was to make available to any church of the Montgomery Association the programs and personnel of our Convention. The first phase of the program was the Church-Community Survey which six churches in our Association participated in the last of January. All churches were contacted about the program and invited to participate. In March two of our churches (and a third one later) entered the second program which was the Pastor-led Sunday School Enlargement campaign. As a result, there are many changes in the Sunday School ministries of the Hamer Creek and First Baptist Church, Mount Gilead. The next emphasis in our associational work will be an associational Training Union Enlargement Capaign next fall, Oct. 27 through Nov. 1, 1963.

In conclusion I want to express my appreciation for the privilege of serving as your Moderator for the last two years and to especially thank our pastors and associational officers for the fine cooperation given me. I hope the work of the Montgomery Baptist Association has been strengthened through our joint efforts.

EVANGELISM REPORT

Daniel F. Page

On March 15, 1962 at Star Baptist Church the evangelism clinic was held. The clinic was directed by Dr. Julian Hopkins and associate Gary Harthcock with special emphasis in each session.

The clinic was attended only by 13 people in the afternoon and 17 that night.

The churches and pastors were properly notified but there was a lack of interest.

The clinic will be January 25, 1963.

Interest revived in August when a called conference was held at Mt. Carmel Baptist Church. Gary Harthcock came from the state office and led the discussion on association evangelism.

NORTH CAROLINA BAPTIST CHILDREN'S HOMES

1963 Report

More children were served by the Baptist Children's Home of North Carolina last year than ever before in history. This was made possible by the interest, prayers and giving of North Carolina Baptist and other friends. We are indeed grateful for every remembrance—the Thanksgiving offerings, once-a-month offerings, Cooperative Program gifts, food, clothing and other things. Without these we could not provide the many services to children and families which we do.

The physical, mental, social and spiritual growth and development of our children has been most gratifying. North Carolina Baptists have every reason to rejoice with the very fine response of these boys and girls to the Christian love and care afforded them. Members of an already fine and capable staff continue to grow in their love for children and their ability to work effectively with them.

We have been reminded for several years of a growing need for specialized services for an increasing number of children who suffer emotional illness. We are happy to report that these services are being provided a limited number of children in a small home at Chapel Hill in cooperation with the University Medical Center. They are receiving the best professional, medical help that can be provided. We are most fortunate to have this facility. It will strengthen greatly our entire program of child care.

We are compelled to keep our pressing needs before you. Applications for the admission of children are increasing. Relatives, pastors, friends of dependent children, departments of public welfare and others plead with the leadership of the Homes daily for help. A familiar plea is, "Unless you can help this child, there is no hope for him." We lay upon your hearts three areas of need.

1. An immediate increase in the number of children in good Christian foster homes in all areas of the state.
2. Continuous expansion and up-grading of facilities to enable the Homes to keep abreast of the best in child care.
3. An increase in financial support to undergird and strengthen the entire program.

A generous Thanksgiving offering is a must! Without it we cannot maintain what we now have in progress. We would challenge Pastors, Sunday School Superintendents and church leaders to make the best preparation possible for the forthcoming offering. Give for the care of dependent children affords one of our greatest joys in Christian service.

Financial support for the past year has come from the following sources:

Cooperative Program	33 per cent
Thanksgiving Offering	30 per cent
Once-a-Month Offerings	16 per cent
All Other	21 per cent

Charity and Children, the official publication of the Homes, is now in its 76th year of publication and is widely read by our Baptist people. It has long been one of the best religious papers published among Southern Baptists. Every family in every church is invited to be among its readers to keep informed about our child care program and the world mission of our Lord. An issue of **Charity and Children** can be enjoyed each week during the year for only sixty cents. See that your church receives it.

FRANK DENNIS

REPORT ON BAPTIST HOSPITAL

(Submitted by Cabot Inman)

The opportunity of serving persons created in the image of God is a high and holy privilege.

You and I have such an opportunity in muliplied thousands of people who are sick in body, mind and spirit, and who come to our Baptist Hospital seeking help. We reach out the hand of love and mercy through the skilled and dedicated hands of our doctors, nurses, chaplains, and many others involved in this ministry to the total person. We are grateful for this opportunity of joining hands with those who sooth the fevered brow, give the miracle drug, guide the surgeon's knife, bring the message of hope, and do the hundreds of other tasks which are necessary in the operation of our great Medical Center.

The number of those who receive the services of our Hospital this year will be greater than the population of one of our medium-size North Carolina cities, such as Goldsboro or Salisbury. Most of them will be seriously ill and referred by their family physicians because they need the kind of care available only in a large medical center. They will come from all areas of our State and from all walks and circumstances of life. What a privilege it is to serve these friends in need and what a challenge to our skills and our compassion!

The Mother's Day Fund, which we provide by our special offerings or by an item in our church budgets designated for the Hospital, in the means through which we make it possible for those who cannot pay to have the care they need. The $176,000 which the Hospital receives from the Cooperative Program provided by our churches must go to help pay for buildings, purchase equipment, and support the Department of Pastoral Care.

We call attention to the Service Patient Endowment Fund of the Hospital which we may place in our wills for any amount, or contribute to at any time, and thus continue to be a part of this service of love through the years after we are gone.

We wish to thank our people for their share in this ministry and call upon them to make their support a worthy expression of their Christian concern.

REPORT ON CHRISTIAN EDUCATION

The lasting achievements of the Baptists have usually followed on the heels of vital Christian Education. By temperment and tradition, Baptists are unwilling to minimize either "Christian" or "Education". An education that dismisses Christianity is sterile. A Christianity that neglects education is stagnant. Thus, our colleges try to provide training that is both academically excellent and thoroughly Christian.

A record of steady progress has been made in the past year: 9,189 students were enrolled in seven colleges; Campbell College graduated its first senior class; Mars Hill will graduate its first senior class in the spring of 1964.

Serious demands await us in the coming year. The steady decline of young people training for vocational Christian service deserves our special concern. By our prayers and through renewed emphasis on the need for "calling out the called", we can reverse this trend.

Also we should be aware of the lasting value of educating Christian laymen in professional skills and Christian leadership.

DANIEL C. WHITAKER

COOPERATIVE PROGRAM REPORT

How can a Church in Montgomery County even approach the enormous task committed to the Church by Jesus Christ? How are we able to teach, preach, baptize, minister to sick and needy, not only in our own community but also in the world community? How can my church send preachers and missionaries to foreign lands as well as at home? How can my church teach and train young people and ministers at home and in foreign lands? How can my church give medical attention to the sick, loving care to the aged, and provide a home for homeless children?

The answer to each of these questions is the same—through the Cooperative Program. The Cooperative Program is a plan of financial cooperation begun by Baptists in 1925 through which the individual church may share in a statewide and worldwide ministry. You as a church member can share in all the work of Southern Baptists if your church participates in the Cooperative Program. Your local church treasurer sends a check (the amount determined by the local congregation) to the Baptist State Convention, 301 Hillsboro St., Raleigh, N. C. There the money is divided between the work of the State Convention and the Southern Baptist Convention, the percentage of division being determined each year by the messengers to the Baptist State Convention of N. C. Thus, with one gift through the Cooperative Program, you share in every ministry of Southern Baptists.

According to the minutes of last year, nine of our churches did not share in Cooperative Program giving. The remaining 21 churches gave only $13,702 as undesignated gifts through the Cooperative Program. This means that many of the Baptists in our Association do not have the thrill of participation in the full ministry committed to the Church.

We ask each church of the Montgomery Baptist Association to prayerfully consider its own responsibility in the world mission program of Southern Baptists through Cooperative Program giving and to join us in this means of obedience to Christ's commands.

Respectfully Submitted,
JERRY L. NISWONGER

REPORT OF BAPTIST ANNUITY BOARD

(Marion Parker)

Baptists are primarily a people of one Book—the Bible. It is the basic and only authoritative guide for all we do. Early in the Bible God gave instructions and principles for the continued care of His ministers when they became aged or disabled; and for the continued care of their widows.

Our Annuity Board of the Southern Baptist Convention has been set up to help us in our churches to carry out this solemn obligation. It enables the churches all through the years month by month to lay aside for this purpose. Basically the plan is for the church to lay aside an amount equal to 10% of the pastor's salary each month. This money is sent in each month to the Annuity Board of the Southern Baptist Convention, 511 North Akard, Dallas, Texas where it is kept in trust by the Annuity Board until such time as the minister retires or is disabled. This fund also cares for the minister's widow after his death.

Guy Cain, 301 Hillsboro Street, Raleigh is our North Carolina representative of this phase of our work. He may be contacted for further information or for personal conferences with your church leaders.

Yes, Baptists believe all the Bible. Even the part that commands the care of aged and disabled ministers and their families. And we do not want to neglect this important obligation.

REPORT ON CHRISTIAN LITERATURE

What people read affects their thinking and living. Without fear of contradiction, we can say that the Bible is the most important book and it is the standard of authority for all other good literature. Other books and printed matter of various kinds are needed also, and Baptists are mindful of their responsibility in this field. Because people support the causes in which they are interested, and interest is promoted by information, it is important that all Baptist people be supplied with good literature.

"Baptist literature is the best literature for Baptists" is a statement often made. Who else besides Baptists can be expected to produce literature that is more suitable for use in Baptist churches and homes?

The Sunday School Board of the Southern Baptist Convention, located in Nashville, Tennessee, is our principal publishing agency. It publishes books, periodicals, quarterlies, tracts, promotional materials and teaching aids in large quantities and wide variety. The greater percentage of the literature used in the Sunday School, Training Union, and other organizations is published by the Sunday School Board, and this literature is written by Baptist people who are well prepared for this important assignment and fully dedicated to the Lord.

The Foreign Mission Board, the Home Mission Board, the Brotherhood Commission, Woman's Missionary Union and other Baptist agencies also publish literature and periodicals in their field of service. Baptist Book Stores are located in most states (two in North Carolina) to make it more convenient for the churches to secure materials and good literature.

We must keep good literature in the hands of our people and Bible reading must be encouraged in every way.

The Biblical Recorder is an official organ of the North Carolina Baptist Convention, and it has been in business for 130 years strengthening and undergirding all that Baptist of this state love and support. Through the years, the Recorder has grown in influence and circulation. Today it has more than 80,000 subscribers. Yet, approximately one-half of our North Carolina Baptist Churches still do not receive the Recorder on either the Club Plan or the Every Family Plan. This valuable publication of Christian literature is made available for every family in our state for the nominal charge of 4 cents per family, per week. Where else could we get so much information, inspiration and Christian witness for so little?

W. EDDIE McPETERS

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

(Associational Report For 1963)

God has blessed the ministry of our North Carolina Baptist Homes in a wonderful manner during the twelve years of our operation, and the past year has been filled with His goodness.

We are now able to serve 160 residents in our four Baptist Homes—the Hayes Home and Resthaven in Winston-Salem, the Albemarle Home in Albemarle, and the Hamilton Home, at Hamilton.

In June of 1962, the doors of the lovely new Hamilton Home were opened to the first residents, and the halls have been ringing with the laughter and the happiness of the residents there since. This beautiful facility has greatly lengthened and strengthened the arm of our total ministry, and has already brought much joy to our Baptist people in Eastern North Carolina. We are looking forward to the day in the future when

the arm of compassion can be extended to reach and serve more of our aging people in Western North Carolina.

The greatest single need is for more space continually. Today there are 160 people waiting for admission, from all areas of our great State, and it is a heartbreaking experience to keep these dear people waiting who urgently need to come.

The average age among our residents is 80. Our youngest resident is 65 and our oldest resident will be 102 in July. Between this age span, we are seeking to meet almost every conceivable life need of the individual. Each person, in an atmosphere that is distinctly Christian, is surrounded by love, peace, and security. Perhaps one of the greatest single contributions that is made is the nursing care that is given in the event of illness. The resident is assured that he will receive tender, loving care in sickness as well as in health. Years are literally added to the life of a person in our care, we feel.

The tie with our Baptist people and our Baptist Churches is a blessed one indeed. We are continually dependent upon the prayers, the visits, the loving concern, and the financial support of our people. The two most vital media of support from the churches are the Special Day Offerings, received on the third Sunday of February each year, and the Homes' share in the Co-operative Program. Inasmuch as we receive only 1 3/10% of the State Convention's share of the Cooperative Program, or $7.92 out of each $1,000.00 contributed through the Cooperative Program, we shall have to continue to look to the Special Day Offerings for the greater part of our support from the churches.

North Carolina Baptists have given a good account of their stewardship in their ministry to the aging during these years of a wonderful beginning, and we have the faith to believe that they will continue to move forward in this great area of human concern.

REV. A. B. CRANFORD

FOREIGN MISSIONS REPORT

(Mrs. Winfrid Allison)

Most of us are not aware of the giant need of missionary expansion in the world. We have not let our hearts burn within us as we read that the world is becoming a pagan world much faster than it is becoming a Christian world. Are we aware of the fact that there are many more ministers in the state of North Carolina alone than there are missionaries for 53 countries in which we minister?

The need is staggering and we have within our churches in Montgomery Association, many young people to whom God may be speaking about missionary service. Are we aware of them and are we encouraging them?

When we become aware, we begin to care. Within the last 14 years a gain of more than a thousand missionaries has been realized. This tells us that many churches and individuals are beginning to care. As of August 1, 1963 we have 1792 missionaries serving in 53 countries of the world. A total of 35,509 baptisms were reported in the last year from these areas.

When we really care we will pray for our missionaries and for the unsaved the world over. Quoting from the pamphlet, "Do You Really Care", "A southern Baptist missionary doctor in Indonesia testifies, that special, deeper prayer of yours helped a whole family accept Christ. Your money bought streptomycin for a young mother coughing blood, and put a New Testament in the hands of a man who had just learned what it means to be saved from physical death. Your surrender to mission service

or to a postive, more immediate relationship to foreign missions is going to make possible increases in missionary personnel here and step up the beginning of churches."

When we really care we will share. Your churches have a wonderful privilege of showing they really care by giving each year to the Lottie Moon Christmas Offering. I believe we should give sacrificially, beginning now to pray and save for this Mission offering. The 1963 goal is 11,850,000 dollars. This sounds like a lot of money, but really, it is just a little over a dollar per member. We've a story to tell to the nations, but we will not tell this story of Jesus unless we here in our churches are willing to be aware, are willing to care, and are willing to share.

REPORT ON HOME MISSIONS

(Marion Parker)

Missions is at the very heart of the Bible. Every church and every Christian is under solemn obligation to share the Gospel of Jesus Christ with "all the world." The world includes the homeland as well as the lands beyond the sea.

To help our churches carry out (along with other churches in a co-operative effort) this phase of our mission task our Baptist Home Mission Board, 161 Spring Street, NW, Atlanta 3, Georgia, has been set up. At the close of 1962 the Board has 2,078 missionaries plus 595 students who served as missionaries during the summer under the direction of the Home Mission Board. Our Home missionaries are now serving in every state in the United States and in Cuba, Panama, and the Canal Zone. Survey work has been done with regard to work in Puerto Rico, and a liason ministry between Southern Baptists and Canadian Baptists continues.

The various phases of our Home Mission work includes co-operation with the mission work of the various Baptist state conventions; the work of our chaplains with the military forces, and with hospitals and other institutions; a program of evangelism; associational and pioneer missions; city missions; language group ministries; work with National Baptists (colored); church loans; and missionary education.

Jesus' command is to " . . . teach all nations, . . ." It includes our own nation plus all other nations. We have no alternative. His command still stands.

STATE MISSIONS

The State Mission program includes many phases of work. We minister to the physical as well as the spiritual needs of people. The basis for all our work is to win the lost to Christ. This year's emphasis is on evangelism. The more than two million unchurched people in North Carolina constitute a challenge for each of us to support State Missions. One means of reaching the unsaved is through new missions and churches. We need to remember of the 3,400 Baptist Church in the state today, more than 2,000 of them were aided in one way or another by State Missions in the early stages of their organization and growth. These include many of our largest, strongest churches as well as hundreds of smaller ones in rural and village areas. This is how strategic and far-reaching the State Missions ministry is today and has been for more than a century. No Baptist dollar has been spent more wisely than that which has gone into this work. Let us not forget our responsibility here in our own State.

MRS. MARION PARKER

ASSOCIATIONAL TRAINING UNION REPORT

Training Union has made some progress this year although not as much as we had hoped. One new union was organized this year in the Community Church which makes a total of 16 churches in our association with Training Union. This leaves 14 churches with no Training Program but before another year is over we are looking forward to reducing that number by at least one-half.

"M" Night last year was held at the Tabernacle Church in Troy with 181 in attendance and 14 churches represented. We hope to double that number this year.

We also had a good group of Young People at Youth Night which was held at the Mt. Gilead Church. We hope all of our churches will observe Youth Week this year also.

If you do observe Youth Week, please report it to your Associational Director and the Training Union Department in Raleigh.

Our Pastor-led Enlargement Campaign to be conducted the week of October 27 through November 1 promises to be a needed "shot in the arm" for our Training Union. We hope all of our unions can participate. A "Kick-Off" rally will be held Sunday afternoon October 27 at 3:00 p.m. in the Chapel of the First Church, Troy. All pastors, directors, leaders and all interested members are urged to be present. Sam O'Neal of the Training Union Department will be on the program and Rev. O. B. Reel of Mt. Holly will bring the inspirational message. Pastors and leaders in churches that do not have a Training Union are invited to be present also.

We are looking forward to greater things in our Training Union work this year. Every church needs a training program for all its people and the Training Union offers the best to be found anywhere. We will be happy to help organize a Union in your church or help in anyway possible with your present Union. Please call on us if we can be of service to you in any way.

THE SUNDAY SCHOOL REPORT

The Sunday School work in Montgomery Association made some progress during the past year. The four Associational Rallies held proved to be inspirational and was well attended.

Vacation Bible Schools has well established itself in the Baptist Church and has served to promote the Kingdom work in many ways. Here is a report from the twelve (12) individual churches that held Vacation Bible Schools this year. Nine hundred and seventy-five (975) people were enrolled and from this number there were twenty-four (24) professions of faith. For the Co-operative Program there was a collection of $118.86.

As we look to the new year we trust the Baptist people will be willing to use their knowledge, talent, and the means to promote the Sunday School work both in the local Church and the Association. The new slate of Associational Officers will need our support and prayers for the many tasks that lie ahead.

WOMEN'S MISSIONARY UNION REPORT

Woman's Missionary Union, Auxiliary to the Southern Baptist Convention, was born on May 14, 1888, in Richmond, Virginia. The purpose of the organization was set forth in the preamble to the constitution and by-laws: To stimulate the missionary spirit and the grace of giving among women and children . . .

For seventy-five years now, Woman's Missionary Union has been dedicated to the purpose of the organization. Programs from **Royal Service** give information and inspiration to the members of the Woman's Missionary Society. Similar programs are presented as a part of Young Women's Auxiliary, Girls Auxiliary, and Sunbeam Band organizations. Mission study courses are taught and books read in addition to the program material.

With the needs of the mission fields and missionaries clearly presented, members can pray with more intelligence and more fervor. Weeks of Prayer for Home and Foreign Missions and a Season of Prayer for State Missions are highlights of the year.

Special offerings for missions have been linked with these intensive periods of prayer. The Lottie Moon Offering for Foreign Missions, the Annie Armstrong Offering for Home Missions, and state mission offerings are recognized as second only to the Co-operative Program in amount and usefulness to the cause of missions. These are promoted as offerings to be given "over and above" the tithe. Pastors have joined with W.M.U.'s in their churches to promote the offerings on a church-wide basis. This past year, the Foreign Mission Board received from the Lottie Moon Christmas Offering $5,300,000.00 or one-third of its Operating Budget. How mightily has grown the grace of giving!

Our local associational organization celebrated the seventy-fifth anniversary of Woman's Missionary Union at its annual meeting on April 18, 1963, at Hamer Creek Baptist Church. One hundred and eleven persons were in attendance at the two sessions. Mrs. Marion Parker gave a resume of the early history of missionary societies in our association. A pageant, "Yesterday's Woman" was presented in honor of early leaders. Former officers of the Associational W.M.U. were recognized, and a memorial of red roses was placed in the sanctuary in honor of Mrs. W. L. Wright who led in organizing the early societies of our association. In recognition of the fiftieth anniversary of Girls Auxiliary a skit was presented featuring G. A. members. Special recognition was given those who had attained the rank of queen. In May, a lovely tea was given to the girls in honor of their anniversary.

W. M. U. members of our association are still dedicated to the purpose of stimulating the missionary spirit and the grace of giving. In September, 76 leaders from local societies came together for leadership training that we might better perform that task in our local churches.

REPORT ON EVANGELISM

As we close the record book upon another associational year, we humbly thank our heavenly Father for the victories won, and we turn our attention to the task before us.

There is much to be done as we continue our efforts to get ready for the great endeavor before us in 1964. We, in our own strength, cannot bring a revival but there is no record in history of a revival among God's people against their will. History reveals that every spiritual revival has come only when God's people have longed for it and earnestly prayed for it. Also, a fervent proclaiming of the Gospel has always been in evidence when God poured out His spirit in power upon His people. Of course this means that revivals are of God but it also means that He uses His people in them.

1964 has been designated as the climactic Jubilee year for our best effort under God in evangelism. Plans call for Jubilee Revivals in every Baptist church on the North American Continent. It is hoped that every church in the Montgomery Baptist Association will join in the simultaneous evangelistic crusade March 8-22, 1964.

Southern Baptists' plans for 1964 are listed below. We should prayerfully study them and follow them as the Holy Spirit leads.

LETTER OF TERMINATION

Montgomery Baptist Association

Rev. Winfrid Allison, Moderator

Star, N. C.

Dear Fellow Believers:

Since its organization in 1895 Beulah Hill Baptist Church has been a member of the Montgomery Baptist Association. During these years the blessings have been rich and the fellowship sweet as we have labored with the other churches of this association.

For several months the members of Beulah Hill have discussed the feasibility and logic of terminating our affiliations with the Montgomery Baptist Association and uniting with the Sandhill Baptist Association. After careful and prayerful consideration the church, on March 17, 1963, voted in favor of such a move. The pastor and deacons were authorized to initiate the steps necessary to facilitate such a transfer.

Our reasons for seeking this new alliance are these:

1. The members of Beulah Hill are personally acquainted with a much greater percentage of the people of the Sandhills Association. We feel this factor would improve our fellowship and effectiveness in the Associational work.
2. Beulah Hill is located near the geographic center of the Sandhill Association territory. This would provide a tremendous reduction of travel in attending Associational meetings.

Application has been made to and accepted by the Executive Committee of the Sandhill Association. If the action of this body is favorable, Beulah Hill will be officially received into the Sandhill Association at its annual session on October 17, 1963 (evening session) at West End Baptist Church.

The purpose of this letter is to herewith submit our request for termination of our affiliation with the Montgomery Baptist Association and that this action be retroactive to October 1, 1963.

Respectfully Yours,

MAX A. GILMORE, Pastor

CHRIS H. WALLACE, Chairman of Deacons

CLARENCE H. BOST, Clerk

REPORT TO THE ASSOCIATIONS BAPTIST CHILDREN'S HOMES 1964

(Martin Smith)

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. It is the purpose of the Children's Homes to develop the highest quality of men and women possible out of boys and girls who are served. Careful attention is given to their needs, both present and future.

Children are accepted as they are when they come to the Homes. In the spirit of Christ, they are recognized for their sacred worth and value. They are provided food, clothing and shelter. But of greater importance than material things is the genuine interest, concern and love given every child by the Christian men and women who work with them. Many children who have known only heartbreak and tragedy learn to love again—learn to trust in themselves, in adults and in God.

A member of this year's senior class expressed her appreciation for the Children's Homes in the following way: "Living at one of the Homes has given me a chance to make something out of myself. I have been afforded the opportunity of getting a good education. Things have been learned and friendships have been formed which will bless my life as long as I live. Best of all I have learned to know, to trust, to follow and to serve Christ as my Saviour. I want North Carolina Baptists to know how very much I appreciate all that they have done for me and for thousands of other boys and girls who have needed a home, love and care."

Applications for the admission of children to the Homes far exceed resources with which to care for them. Areas of unmet need in child care await our attention. Many couples who have a double measure of love to share with homeless and dependent children have a wonderful opportunity of service awaiting them through the foster home program.

Genuine appreciation is expressed by those who direct our child care program for all who have helped to make this ministry possible. Income through the Cooperative Program, through the Thanksgiving Offering and through special gifts are vital to the services which are provided those who need our help. Financial support for the past year has come from the following sources:

Cooperative Program	36 per cent
Thanksgiving Offering	30 per cent
Once-a-Month Offerings	15 per cent
All Other	19 per cent

Most North Carolina Baptist are well acquainted with **Charity and Children,** official publication of the Baptist Children's Homes. This unique newspaper is published each week and goes to more than 55,000 subscribers. Well over half the Baptist churches in the state receive it in bundles for distribution to the members on Sunday. See that your church receives **Charity and Children** so that every family may be better informed about the work of North Carolina Baptists, and particularly the program of child care. The subscription price is sixty cents per year in bundle form.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

(C. C. Drye)

The trustees and administration of our Baptist Hospital have expressed their appreciation for the interest and concern our churches have shown in the ministry of the hospital. In behalf of thousands of our people who cannot pay for the skilled care received at our Medical Center, they express their thanks for our Mother's Day gifts which make this service possible.

This is a crucial year in the life of our hospital. It is serving more sick people than ever before in its history. At the same time, the needs continue to grow faster than its capacity to serve. For more than a year there has been an average of above 700 sick people on the waiting list for beds. A number of seriously ill or injured persons have had to be sent from the emergency rooms to other hospitals because no beds were available.

Another difficult problem is that of meeting the cost of caring for those who cannot pay for the service they need. Within our state there are many older people who live on a meager Social Security or Old Age Assistance income, families whose savings and sometimes their ability to earn have been wiped out by long and serious illness, and great numbers who cannot rise above the poverty line. All who come must pay for their medical care in so far as they can, but there are great numbers who simply cannot pay the full cost. Our hospital tries to get all the help it can for these persons from welfare and health agencies, but these agencies do not pay the total cost and many persons are not eligible for such assistance.

The hospital receives a share of our Cooperative Program money, which helps to support the Department of Pastoral Care and provide equipment and facilities required in the work of the hospital; but the Mother's Day Fund provided by our churches is the only means the hospital has of bridging a wide gap between the funds available and the cost of caring for those who cannot pay for their medical service.

Our hospital and medical school are beginning a large development program greatly to increase the capacity of our Medical Center to care for our sick people and to train additional doctors, nurses, and other personnel to serve in our communities, on our mission fields, and wherever these trained persons are so badly needed. The people of the Winston-Salem area have expressed their confidence in our Medical Center by pledging more than seven million dollars to this enlargement program. Our great concern is that, when our hospital has increased its capacity to meet our specialized medical needs, will our churches provide the money to take care of those who need these services but cannot pay for them.

This is a heavy burden on those who are responsibile for the operation of our hospital. We are confident that if our people are informed of the work and the great need, they will provide the necessary means We call upon our pastors and other church leaders to lay this upon the hearts of their members. It is a greatly needed and wonderful ministry to which Jesus gave himself without reserve. We who are His followers must not fail those to whom he would minister through us.

REPORT ON THE COOPERATIVE PROGRAM

(Marion Parker)

Jesus said, ". . . All power (authority) is given unto me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world." (Matthew 28:18-20)

The world is so big, and there are so many millions of people in it. How can one Christian or one church reach it all? But our sovereign Lord has commanded! And we dare do no less. Many of us believe that we can best carry out the Great Commission by voluntarily co-operating with other Baptist churches. We believe that together—under God—we can do a better job of "teaching all nations" than by working separately.

By pooling our giving with the thousands of other Baptist churches sharing in our Baptist State Convention and our Southern Baptist Convention, we have a vital part in the support of approximately 2000 preaching missionaries who baptized 58,097 people in 1963; approximately 2000 teaching missionaries serving in 1132 Christian schools with 250,165 pupils attending; nearly 500 healing missionaries in 63 Baptist hospitals and 56 clinics treating last year a total of 770,279 patients; 7,551 homeless children and 1,008 elderly people in 45 orphanages and homes for the aging; and aid over 5000 retired missionaries, pastors, or widows of missionaries and pastors.

For want of a better name for this plan of working with others in carrying out the Great Commission, we call it the Co-operative Program.

ANNUITY BOARD REPORT

(Ray Franklin)

NEW "LIFE BENEFIT PLAN" IS OFFERED TO CHURCH AND DENOMINATIONAL EMPLOYEES

Every pastor, church and denominational employee is eligible for the new group term Life Benefit Plan being offered by the Annuity Board, regardless of whether they are a member of one of the Board's retirement plans. The Board is currently in a campaign to enlist the 3,000 members needed to put the Life Benefit Plan into effect, and hopes to have it in operation by October 1 of this year.

Cost is Low — The new Plan provides low cost life protection to members while in active service, during disability or in actual age retirement. Cost is only 1% of the annual salary basis, with minimum basis of participation set at $4,000 and maximum at $12,000. Minimum payments will be $3.34 a month and maximum payments, $10.00. Car expense, housing and utility allowance, etc., may be added to the cash salary to allow the member to pay on a larger amount. All participation is on even thousands, and the cost remains the same every year unless the member's salary increases and he wants to increase payments accordingly.

Benefits Are Large — The widow or beneficiary of a member 45 or under will receive 2½ times his salary basis of participation in the event of his death. Thus the widow of a man 44 years of age who was paying on a $12,000 salary basis would receive $30,000. If death was accidental her benefit would be twice this, or $60,000. After the member passes 45, benefits are scaled downward by 1/10th of a percent each year as he gets older. At age 65, the member who joined during the first year of eligibility and paid at least 10 years continuously prior to retirement will have a paid up benefit of $1,000, or an amount equal to total contribu-

tions, if less than $1,000. In case of total and presumably permanent disability, the members payments are waived, but his coverage continues.

Applications and information about the Life Benefit Plan may be obtained from the Annuity Board, 511 North Akard, Dallas, Texas, 75201, or from your state annuity secretary, whose address is given below.

MEMBERSHIP IN RETIREMENT PLANS

As of May 1, 1964, there were 16,251, or 50% of the total churches in the Southern Baptist Convention participating in the Annuity Board's retirement program with their pastors. Out of 174 educational institutions, hospitals, children's homes, homes for the aged and other southwide agencies, 118 are enrolled in an Annuity Board plan with their employees Total membership in the Board's retirement plans is approximately 25,000.

BENEFITS PAID

More than $43½ million have been paid in relief and annuity benefits by the Annuity Board since its beginning in 1918. Last year these benefits were more than $3¼ million, and were paid to ministers and denominational workers or their families who were members of a retirement plan, and to those on the relief rolls.

ANNUITY SECRETARY

The Annuity Secretary for North Carolina is Guy Cain. He conducts a program of promotion and education regarding all phases of the Annuity Board's protection ministry. He seeks first to enlist those pastors and church and denominational employees who are not enrolled in a retirement plan with the Board. Secondly, he helps those who are in the plans to know more about the financial provisions they are entitled to, and advises them in seeking additional protection through the Board's supplemental plans.

Rev. Cain's address is: 301 Hillsboro Street, Raleigh.

REPORT ON CHRISTIAN LITERATURE

(Mrs. Edna Smith)

God's Holy Word commands us to think things that are lovely and things of good report. Again we read, "As a man thinketh in his heart so is he." Since our thoughts and meditations are governed so largely by what we read we can readily see the great importance of Christian Literature. We live in a day of false teaching and propoganda, therefore as a body of Christians it is very important that we do all we can to keep before people that which is good and uplifting.

We believe that Southern Baptist accept and acknowledge the Bible as the greatest of all Christian literature and seek to use it as the basis for all their publications. Our Sunday School Board in Nashville, Tennessee makes available books, quarterlies, tracts and promotional material in wide varieties. We have two Baptist Book Stores in North Carolina where good religious books may be obtained. Our other Baptist agencies also publish literature and periodicals in their field of service such as the Foreign Mission Board, the Home Mission Board, the Brotherhood Commission and the Woman's Missionary Union.

Perhaps one of the oldest and best known publications of our Southern Baptist denomination is the Biblical Recorder. It is now 131 years old and gives as its primary purpose, service, to the Baptist of North Carolina. Realizing the great need of a Christian witness in dealing with the problems of the world our Baptist paper seeks to inform. The Recorder staff gathers, sifts and publishes significant news from as many sources as possible, believing that Baptist cannot properly do until they properly know.

They also seek to interpret. Daily the world becomes more complex and events and personalities become more entangled. Most people face such a flood of information and propoganda from every direction that it is hard to sort out that which is good and important, set them in proper context and understand them. The many years of experience plus the vast resources of full information qualifies our Baptist paper as an interpreter that we might understand the fast moving events.

It is also the sincere wish of the Recorder to have a Godly influence in the homes of the Baptist of North Carolina. As it seeks to encourage and inspire, to interpret and inform our people, may we as a body of Christians give it our support and do what we can to see that it goes into the homes of the members of our Churches along with other Christian literature.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING 1964 ASSOCIATIONAL REPORT

(Herman W. Greene)

Our Baptist Homes have just completed their 13th year of operation and are entering into the 14th year with eager anticipation and with much enthusiasm. God has blessed these brief years with an abundance of His love and with the good things of life. Growth has been rapid, the development of facilities amazing, and the need for additional space staggering. We have come from one resident and one building, since March of 1951, to 160 residents and four buildings in 1964. Today there are 170 people waiting for admission. There are hundreds of inquiries during any given year from aging persons who are sick, for whom we cannot care because of lack of bed patient space. We must give an answer to these good people and begin now making plans for a nursing facility that will be large enough to receive some of these who are sick, or invalids, at admission.

The choicest bit of news for 1964 is the development of a fifth Baptist Home, to be located at Yanceyville, North Carolina. We are hoping to begin construction on this new project during this year, and thus, the burden of our hearts will have been relieved, in a measure, by being able to care for 30 additional residents. The home at Yanceyville is the greatest single bequest that has ever been left for us in our ministry. Enough land at Yanceyville and money were given to the Baptist Foundation of North Carolina for us, by the late R. Sterling Graves and his sister, Mrs. Sallie Willie Graves Bradsher, to build and equip the home there. Even so, we will still need to look to our Baptist people for the maintenance of this home and for assistance in supplementing needy residents who will live there through the years.

Today North Carolina Baptist are contributing an average of $90.00 a month on the cost of care of 90% of the residents who live in our four Baptist Homes at Resthaven and the Hayes Home in Winston-Salem, at the Albemarle Home and Hamilton Home. This support comes through the Special Day Offerings, received in the churches on the third Sunday of February each year, through designated gifts from church budgets, and through the homes share in the Co-operative Program. These needy residents could not possibly be with us, nor could they receive the loving care that they do, if it were not for the gifts from our 3400 Baptist Churches. Earnest heed should be given by each church, therefore, towards increasing the amount of Special Day offerings and Designated Gifts to the homes. This should be emphasized especially in view of the fact that there was a 5% decline in gifts to the homes during 1963. We will not have an accounting on gifts for 1964 until September, but we can only hope that there will be a considerable increase.

SUNDAY SCHOOL REPORT

(William H. Puckett, Jr.)

Sunday School work in our state and denomination has been rather disturbing to many of our leaders. Their concern has arisen out of the decrease in Sunday school enrollment and attendance. We have also felt the effects of this downward trend in our association. Careful studies have been made and the conclusion reached that one of the chief reasons for the Sunday School decline is our failure in recent years to adequately reach the adults in our communities.

In order to counteract this downward trend in the midst of an abundant harvest and to more effectively reach our adults, plans have been made to use the Sunday School in an Adult Thrust in October and November of 1964. The emphasis of this program is "Sharing Christ's concern for persons." The program has much that is worthy and deserves our full support.

The purpose of Sunday School is to teach the Biblical revelation and to help people in our churches to grow spiritually. Before this can be accomplished, however, the Sunday School must be engaged in outreach and enlistment. Christ has given us the responsibility to reach out for him, to make disciples for him, and to lead them in the understanding and living of the Christian life. It is hoped that this will be the aim and work of the Sunday Schools in this association.

WOMAN'S MISSIONARY UNION REPORT

(Mrs. Winfrid Allison)

"O give thanks unto the Lord; call upon his name: make known his deeds among the people," Palm 105:1. This 1964 Watchword expresses the purpose of Woman's Missionary Union. Certainly we have much for which to thank the Lord. Through prayer and offerings W.M.U. seeks to make His deeds known among all people of the world.

The Associational W.M.U. serves as a connecting link between the State and local W.M.U. It promotes fellowship and cooperation between churches within the Association.

The Montgomery Associational W.M.U. held its annual meeting April 9, 1964 at the First Baptist Church in Mt. Gilead. The meeting followed the theme: "Praise, Prayer and Proclamation." During the evening session, Mrs. John Oliver, missionary to Brazil, took us on an informative and challenging trip to her corner of God's harvest field.

Each year the W.M.U. of our Association gives fifty dollar scholarships to two deserving young people who are training for full time Christian work. The 1964 scholarships were given to Mr. Darrell McIntyre and Miss Linda Batten. It is our prayer that this financial gift, backed by prayer, will encourage our young people to be faithful to God's call in their lives.

This year several Woman's Missionary Unions have provided intensive leadership training for their members and their youth leaders. Because of this, the executive committee recommended having a Prayer Retreat to take the place of the usual Leadership Conference. The Prayer Retreat was held September 24th in the chapel of First Baptist Church in Troy. Mrs. J. M. Dismukes, prayer chairman, directed the very inspirational hour.

Woman's Missionary Union continues to serve through the church, stressing missions, giving, and spiritual growth.

TRAINING UNION REPORT

(Homer Hunsucker)

Training Union work in our Association has shown some growth in the past year, but there are still thirteen churches in our Association that have no Training Union. A new training union was organized this year in the Ex-Way Baptist Church under the leadership of the pastor, the Rev. Martin Smith. They got off to a good start with much enthusiasm and a high percentage of attendance.

Every church can and should have a Training Union for a well rounded program of teaching and training as we seek to carry out the Great Commission of our Lord. A pastor has no greater asset to his work and the work of the church than a good, wide-awake Training Union. He knows, for the most part, that he can depend on those who are faithful in the Training Union to back up the church all the way.

We hope that more Unions will be organized in more churches this year, and that existing Unions will find growth in every way. Pastors, give the Training Union its place, hand in hand with the Sunday School, in your church's program.

Churches that do not have a full time program should offer their people something better than T.V. on Sunday nights. A dark church on Sunday night is not a very good witness in any community. Let's light those churches with Training Unions and save our Sunday nights for the Lord and for our own christian growth.

REPORT ON MUSIC

(Mrs. Ray Franklin)

Music has well been called a universal language. Historians agree that music has played an important part in the lives of human beings for over five thousand years. The credit for the development of musical notation must be given to the church.

The church had two main reasons for the interest in music. One was to obtain a "religious atmosphere and the other to train the youth in the scriptures. Our churches today still have the same reasons for music.

Through the singing of hymns our churches are led into the spirit and mood of the service. There are hymns written for every type of service, whether it be a worship service or an evangelistical service. Music is very powerful. It can change a persons mood quite easily. Music can soothe or excite, it can also make us happy or sad.

Our hymns today teach us many truths from the scriptures. They are also an effective way of praise, the bible says in Psalms 147:1 Praise ye the Lord; for it is good to sing praises unto our God. Many of our Psalms are used as songs of praise.

William J. Kirkpatrick phrases it like this:

Singing I go along life's road,
Praising the Lord praising the Lord,
Singing I go along life's road,
For Jesus has lifted my load.

Certainly music has a vital part in our worship service, and everyone enjoys good music. We that are christians have something to sing about, our redemption through Jesus Christ.

FOREIGN MISSION REPORT

(W. H. Stogner)

At the meeting of the Southern Baptist Convention in Memphis in 1948, the Foreign Mission Board set forth the Advance Program which had grown out of much prayer and concern for a world in need.

At that time there were 625 missionaries. There was a conviction that a minimum of 1,750 missionaries should be placed under appointment at the earliest possible moment. The number was later enlarged to 1,800.

Such an undertaking would call for greatly enlarged resources both in personnel and finance. It was realized that more than $20,000,000 annually would be necessary to maintain such a world outreach.

Southern Baptist felt God's leadership and responded with love, prayer, and dedication. Churches, conventions, institutions and other agencies of Baptist life opened their hearts to the call of a world in need. The Baptist Jubilee Advance came into life and made possible progress in every phase of our service for the Lord.

With gratitude to God and with all the glory to His holy name, the Foreign Mission Board is able to report that the year 1963 closed with a total of 1,803 missionaries under appointment for service in 53 countries throughout the world, and that the year was most remarkable in evangelism, church development, leadership training, medical work, and literature preparation.

The year 1963 will be long remembered as a year of great efforts in evangelism. It will also be remembered as a year in which people responded with their lives to the call of the mission task to an unprecedented degree.

Praising God for His blessings, the Foreign Mission Board dedicates itself anew to that which lies ahead. This moment of rejoicing is a time of commitment to a new outreach to a world in need, an outreach that will call for resources in finance and in life far beyond anything yet pledged.

Two main channels of missionary giving, the Cooperative Program and the Lottie Moon Christmas Offering, provide the resources for a world-encircling task. They have grown in parallel lines. If either had failed to grow, advance would have stopped long ago.

No word can properly describe the dedication which the missionaries who cross the world, giving their lives in labors of love on mission fields in foreign lands, bring to this task. Southern Baptist everywhere must bear them up with intercessory prayer at the throne of grace and ask the Lord of the harvest to thrust out more laborers to join them in the fields which are white unto harvest.

HOME MISSIONS REPORT

(Mrs. Cabot Inman)

Giving the Gospel witness to the lost and leading those who have been saved to win others is the God given task of every Church. The Home Missions Board is seeking to strengthen our Churches in this task by loaning money to build new Buildings, giving Pastoral aid to new Churches until they become self supporting, establishing city missions, working with language groups, and in many other ways serving our Lord in the great Commission He has given us.

The Home Mission Board now has 200.0% more Missionaries than in 1948. The Annie Armstrong offering has increased 378.8% in the same period of time. However, as the population is expanding at a rapid pace the needs are mounting as never before. In the United States today 56.4% of our families each own an automobile; 20.4% of our families each own two or more automobiles; 62.1% of our families each own their own home; 89.9% of our families each own their own television set; 14.9% of our families have air conditioned houses, yet during the past year 386,000 homes were broken up by divorce. In a four year period, 1958-1962, our population increased 7% while our crime rate for the same period increased 72%. In spite of all these alarming facts Americans continue to spend more than twice as much for alcoholic beverages as they do for all religious and welfare causes, while more than 68,000,000 have made no profession of faith.

May the Love of Christ constrain us to spend and be spent for Christ in the coming year.

REPORT ON STATE MISSIONS

(Mrs. C. C. Drye)

The State Mission program reached out into many areas of need. The primary purpose of missions is to win the lost to Christ. A mission is anywhere one or more persons are sent from the local church or churches to preach the gospel. Nearly 2,000 of the 3,500 churches and missions now in North Carolina were established or aided by State Missions. Many of the young churches as well as the older ones will continue to need the help that State Missions offer through teaching, training, student guidance, enlistment, stewardship, evangelism and pastoral support. It is estimated that, at present more than 400 places exist in North Carolina where new churches or missions might be started. The Cooperative Program offerings bring in about one-third of the direct missions budget. The special offering makes possible the assistance toward church lots, missionary pastors and associational missionaries. Population growth offers a pressing challenge for excellerated Baptist mission work in almost every area of North Carolina. Let us remember to give emphasis to the first part of the great Commission on "State Missions Days" in our churches.

EVANGELISTIC REPORT MONTGOMERY BAPTIST ASSOCIATION

1963-64 Church Year

(W. Eddie McPeters)

The special five-year effort, known as Baptist Jubilee Advance, in evangelism and Missions on the part of the Baptists of North America came to a close at the joint meeting of the groups in Atlantic City, New Jersey, in May, 1964. What was done is now history and we cannot go back to improve or to change the record.

The record of our Association reveals the following additions to the Churches in 1964:

By Baptism 139 By Letter 97 TOTAL 236

The questions arise now, where do we go from here? What shall we do in 1965?

We can and must search our hearts before God to fine His will for us and to experience His empowering as we endeavor to be obedient to His commands. This we need as individual Christians, as Churches and as a Denomination.

Most of us need to take a fresh look at evangelism as it is practiced in our personal lives and in our local church. To do this on the right basis we must first make an earnest effort to see what evangelism is as it is revealed in the New Testament. A good definition of the New Testament picture of evangelism is found in the new **Southern Baptist Handbook On Evangelism** which is as follows:

"Evangelism is the outreach of the Church by confrontation with the gospel of Christ to bring people to a personal faith and commitment to Christ as Saviour and Lord, in order that the committed may become a part of the outreach."

This wonderful experience of Christ confronting the lost through His people will not become a reality in a life or a church merely by accepting and adopting a creed, a statement of doctrine, or a set of rules for conduct. There must be the experience of being "'in Christ" and a perennial vigilance in seeking to be used of Christ in His purpose of redemption. In the light of these and other pressing truths we should keep before us these objectives:

1. To keep all programming and activities aimed at creating a spiritual atmosphere for evangelism in every church.
2. To keep alive a perennial awareness of the urgency of personal witnessing on the part of every Christian.
3. To refine and intensify our revival efforts.
4. To seek to keep the message positive, practical, scriptural and spiritual with unceasing prayer and diligence.
5. To spare nothing in seeing to it that the new and old church members become a part of the outreach.

For practical help in moving toward these objectives consult the **Evangelism Plan Book for 1965** which the Division of Evangelism of the Baptist State Convention of North Carolina will mail to all pastors this fall and the Associational Evangelism Workbook which will be released by the Convention Press in the near future.

REPORT TO THE ASSOCIATIONS
BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

1965

(Kester Williams)

The care of dependent, neglected and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children it is the purpose of the Homes to join hands with other Christian forces to strengthen wholesome, Christian family life throughout the states. Our people have supported this ministry in a most generous and commendable way.

Our Homes are serving as many people who need our help as possible. They are dependent upon North Carolina Baptists for support. Every gift, however small or large, is appreciated and is used for the purpose for which it is given. Income through the Cooperative Program is becoming increasingly important.

The Thanksgiving Offering of last year is approaching three hundred ten thousand dollars ($310,000.00) and is the largest ever given. This suggests that our people welcome an opportunity to support the "helping ministries" of the church which are close to the heart of our Lord.

Two estates have made possible two very fine buildings which have just been completed on the Mills Home campus. Income from the estate of Mr. and Mrs. Leland J. Sadler of Anderson, South Carolina, was used

to build a library. An addition to the church was financed from the estate of Robert M. Idol and Lela Idol of Winston Salem. These buildings will fill a most useful purpose in the educational and religious life of the Mills Home family.

There is a growing need for good Christian foster homes in which children needing this kind of care can live. Many families are finding much happiness and a great opportunity for service in caring for foster children. Thus, many boys and girls are privileged to grow up in Christian homes who otherwise would not have this opportunity. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

The need for a home in the western part of the state, more adequately to serve the people west of the Blue Ridge Mountains, has been discussed in various meetings and conferences. The possibility of such a home is meeting with genuine interest and enthusiasm. Attention is currently being given to a suitable location.

Members of the Board of Trustees and members of the staff of the Children's Homes are committed to the task of maintaining a Christian program of child care—a program that will merit the undivided support and loyalty of our people and that will bring honor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

REPORT ON BAPTIST HOSPITAL

(C. C. Drye)

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care. These sick people came from all sections of our state, out of all kinds of financial circumstances, and with almost every type of serious disease and sickness known to man. Most of them were sent by their local doctors, because they had problems which were difficult of diagnosis or treatment, and needed specialized facilities and skills such as those found at our Baptist Hospital.

In addition to the sick people who were served, there were more than 700 persons in training in the various fields of medical care and Christian service. These students were studying in ten different schools, and in other fields of training in our Medical Center, and will go out to serve as physicians, nurses, technicians, pastors and other Christian workers, in our communities and churches throughout North Carolina and on our mission fields around the world. These schools offer excellent opportunities, and they are interested in qualified Baptist young people who wish to invest their lives in useful service to their fellow man in the Kingdom of God.

The ministry of our hospital to people who are seriously ill and in meager circumstances lies at the very heart of its total work. All of our Mother's Day offerings are used for this purpose: when the doctors have given their skilled services without charge to these patients, and the money available from all other sources is added, every dollar we give is multiplied nine times over in free service to those who need help.

It is a high privilege for us in our churches to minister in the name of the Great Physician, through our hospital, to these multitudes who are sick. It will be a welcome voice when the King shall come in His glory and we can hear Him say: "Come, ye blessed of my Father; for I was sick, and ye visited me."

CO-OPERATIVE PROGRAM REPORT

(Marion Parker)

What is the Co-operative Program? It is, I believe, the best way yet for every Baptist and every Baptist church to carry out our Lord's command when He said, "All power is given unto me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you . . ." (Matthew 28:18-20).

Through the Co-operative Program every Baptist and every Baptist church in our county can share with more than 3,000 other Baptist churches in North Carolina in supporting Baptist Hospital and Bowman Gray School of Medicine (one of the great medical centers in America); 7 Baptist colleges and Fruitland Baptist Bible Institute for the training of Christian workers; 3 children's homes with their up-to-date program of child care; 4 homes for the aging; the weekly information and promotion in the home ministry of the Biblical Recorder; and a well-rounded program of state missions and service ministries to the churches.

We also share with more than 30,000 other Baptist churches in the southwide support of more than 1000 Baptist schools in 56 countries; 2 hospitals in the United States and 69 hospitals and clinics on foreign soil; 7 seminaries in the United States with 5000 students preparing for special Christian service, and 41 seminaries overseas; 2372 missionaries in Home Mission work; 1901 foreign missionaries in 57 countries with 10,564 people baptized in a single year; and, among other ministries, a radio and television ministry that spans the earth weekly with the message of our Saviour.

Jesus said that, on the basis of His authority, we are to "teach . . . baptize . . . teach to observe . . . all nations." How else can any one Christian or any one church obey that command than by **co-operating** with other Baptists and other Baptist churches through a Co-operative Program? We need to understand what it is, what God is doing through it, and then give it our full support.

ANNUITY BOARD

of the

Southern Baptist Convention

— 1965 Associational Report —

(Frank Dennis)

THE LIFE BENEFIT PLAN

The Life Benefit Plan was inaugurated on October 1, 1964 to meet the need for supplemental life protection for our pastors and denominational employees, and has already achieved phenominal success with more than ten thousand active participants. It affords protection ranging from ten to thirty thousand dollars for death under age 46 with graduated benefits thereafter for dues of $3.34 to $10.00 per month. It is still open for membership.

THE HEALTH BENEFIT PLAN

The health benefit plan is an all-inclusive program of hospital, surgical and major-medical protection which is now being offered. The target date for the beginning of this plan is October 1, 1965. Five thousand applications are required by September 1 in order to put this program into effect.

BENEFITS PAID—"MANNA FROM HEAVEN"

It has been said by many annuitants that the checks which come from the Annuity Board each month are like "Manna from Heaven". These checks vary in size, depending upon the length of time one was a member and the amount of dues paid.

Since the beginning of the Annuity Board in 1918, almost 47 million dollars have been paid in relief and annuity benefits to the men and women of God who serve Southern Baptists. In 1964 alone, 3½ million was paid out to ministers and denominational workers or their families.

MEMBERS IN ANNUITY BOARD PLANS

Today more than 16,352 churches are in the Protection Program for their pastors. Approximately 10,000 of these churches are paying the total 10% dues.

There are now 127 of the 176 educational institutions, hospitals, children's homes, homes for the aged and other southwide agencies protected by one of the Annuity Board programs. This means more than 25,000 members are in the Annuity Board's retirement plans.

There are seven states with 70% or more of the churches in the plan. At the present time North Carolina has 46% of the churches in the Protection Program for ministers.

ANNUITY BOARD SECRETARY

Rev. Guy Cain is jointly employed by the North Carolina Baptist Convention and the Annuity Board. He promotes the Board's total program of protection by trying to enlist all pastors, churches and denominational employees who are not enrolled in the program in North Carolina. He works to help those who are in the program to better understand the protection they have. For further information, write the Annuity Board, 511 North Akard, Dallas, Texas 75201, or Rev. Guy Cain, 301 Hillsboro Street, Raleigh, North Carolina 27600.

REPORT ON CHRISTIAN LITERATURE

(Mrs. Edna Smith)

Today as never before we need Christian Literature in our homes. Daily we are confronted with making decisions of vital importance. We must decide between true and false teachings, between truth and propoganda. We should have an accurate channel of information if we are to be well informed people. This can come through the study of God's word and through the reading of good Christian literature.

Our Baptist denomination seeks to serve its people through its various agencies and publications. Secular papers cannot meet this need since they cover so many things, sports, society, business and entertainment. Baptists need an accurate and comprehensive source in regard to the serious moral issues facing us on every hand. Our Baptist state paper, the Biblical Recorder, has been a dependable medium of information for 132 years. It serves as an open forum for the discussions of issues in which all of us should be interested. We are able to read both sides of an issue and prove that we can discuss our problems in a Christian spirit. The Recorder has been eyes and ears to those who could not attend significant meetings through their special editions and complete coverage.

The cost of this important Baptist paper is only four or five cents a week. The average family spends at least fifty cents to one dollar a week

for newspapers. If your church does not have a Recorder Club, please see that one is organized. Only four people are needed to form a club. We have thirteen Recorder Clubs in the Montgomery Association. Five are on the church budget plan. We have 16 churches without a Recorder Club. We have 389 subscriptions in our Association.

In the coming year, may we have a better informed people through reading. Through the reading of good books and Christian publications our world is enlarged, our conversation enriched and our admiration for other people deepened.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

1965 Associational Report

(Herman Greene)

The day that North Carolina Baptists launched a ministry to the aging fourteen years ago was a good day indeed. Since that time four homes for the aging have come into being, and a fifth one is in the making. Many elderly people have been blessed by this compassionate ministry through the years, and today 160 people are in residence at Resthaven, and the Hayes Home in Winston-Salem, the Albemarle home in Albemarle, and the Hamilton home in Hamilton. When the proposed new home at Yanceyville is completed, there will be capacity for 200. It is anticipated that construction will begin on the Yanceyville Home during 1965.

This labor of christian love and nurture is ours together, and we could not operate without the concern, the prayers, and the financial support of our Baptist people. This financial aid from the churches comes to us through two very vital avenues—the Special Day Offering, received on the third Sunday of February each year, and the Cooperative Program. Special Day Offering receipts for 1964 were at an all-time high and exceeded $96,000.00. Through these gifts we were able to supplement from 80% to 90% of our needy residents who could not be with us otherwise.

It is urgently hoped that the Special Day Offering for 1965 will be the greatest ever, especially in view of the pressing and ever-increasing needs of the aging in our midst who seek our help. The waiting list now is 175 and grows almost daily.

As the great of the Saviour yearns for all in the various areas of human need, we are grateful that He has commissioned us to include also a special ministry to the aged among us. We have responded to His plea, we are giving an answer to Him for these elderly people who are very dear to Him, and we pray that every church in our State Baptist Convention will be very careful to give increasing emphasis to this vital ministry.

SUNDAY SCHOOL REPORT

(H. C. Green)

The Great Commission of our Lord continues to be the marching orders of Christians in this twentieth century. We are to "Go and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things . . ."

The Sunday schools of our churches have been assigned the task of teaching the Bible, reaching the unreached, leading all church members

to worship, witness learn, and minister daily, furnishing workers for various projects, and interpreting the work of the church and denomination —thus helping the church in its basic functions of worship, proclamation, education, and industry.

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal, we must have an enrollment gain of approximately 30% in the next five years. We are challenged to have an enrollment of one million in North Carolina by 1970. Outreach must have priority.

We are asking each Sunday school in our association to accept a net enrollment increase of 3% for 1966, 4% for 1968, 6% for 1969, and 7% for 1970. We will grow great Sunday schools as we show compassionate concern for the unreached. Evangelism, stewardship, missions, discipleship —all wait upon outreach.

These enrollment gains can be reached by organizing new Sunday schools (a new Sunday school will gain 30); the organizing of Extention Bible Classes (each will gain 10); the starting of new adult classes (each will gain 6); the activating of Extention, Cradle Roll, and Young People Away departments (each will gain 6); and enrolling Vacation Bible School pupils not in Sunday school.

If we will follow the simple growth formula advocated many years ago by Dr. Arthur Flake—locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people—we will reach more people for Bible study; our baptisms will increase; Christion stewardship will become a reality; and our churches will be strengthened.

Along with an increased emphasis upon outreach, each Sunday school is urged to observe January Bible Study Week, to plan a church and mission Vacation Bible School, to promote Operation Home Study and other opportunities for training; to cooperate in the Adult Trust movement, to participate in the associational Sunday school projects—clinics, conferences, enlargement campaigns; and to attend the Sunday school weeks at Caswell and Ridgecrest. When our Sunday schools begin moving forward, our churches will move forward.

WOMAN'S MISSIONARY UNION REPORT

(Mrs. Winfrid Allison)

Womans Missionary Union is made up of the Woman's Missionary Society, Young Woman's Auxiliary, Girl's Auxiliary and Sunbeam Band. The Union seeks to promote Christian Missions through Mission study, prayer, community missions and stewardship. Women in the New Testament were busy serving. Woman's Missionary Union is especially suited to help a woman find expression of her concern for others and her love for Christ. W.M.U. permanent watchword is found I Corinthians 3:9, "Laborers together with God."

Through Mission study, the W.M.U. seeks to be informed about what God is doing through our missionaries, and to be aware of the many needs for prayer. Through prayer the W.M.U. interceeds to God for missionaries at home and abroad as well as our own needs in the local Church. Only God can number the souls born into His Kingdom because

faithful women and girls and children prayed during weeks of prayer and in private devotions.

Through Community Missions women of W.M.S. along with her foster organizations seek to follow Jesus' example of going about doing good. Many people receive food, clothing, and other needs along with a spiritual witness given by members of W.M.U. Tract ministries, tray favors, hospital and nursing home visits are among the many community missions projects.

The stewardship of time, money and personality is stressed from the youngest children through the women of W.M.S.

The annual meeting of Montgomery Associational W.M.U. was held at Star Baptist Church April 29, 1965. A most challenging message was given by Mrs. Gene Phillips, missionary to Southern Rhodesia. Through this personal touch with Southern Baptist missionaries, mission interest is kept aglow in the hearts and minds of W.M.U. members.

In our Association, there are sixteen Woman's Missionary Societies. We would like to urge women and pastors of churches not having a W.M.S. to please study the purpose and plan of W.M.U. and then make your decision about the value of these organizations. If we are truly missionary Baptist we cannot disagree with the basic aims of Woman's Missionary Union.

May I remind you that the wonderful Annie Armstrong and Lottie Moon offerings that are growing from year to year had their beginning in Woman's Missionary Union.

Through the Youth organizations many young people are learning how to become Christians and are growing in Christian knowledge and mission education. Proof of this was seen during a beautiful Coronation Service for Girl's Auxiliary of Mt. Gilead September 19 in the First Baptist Church.

It is the desire of the Montgomery Woman's Missionary Union to help societies and youth organizations come into being during 1965-66. Mrs. H. J. Scarborough of Mt. Gilead is serving as president.

FOREIGN MISSION REPORT

(C. C. Drye)

As the Foreign Mission Board meets this month, it will consider a budget for 1966 amounting to more than 25 million dollars. This is a large sum, though a budget increase has been necessary each year to sustain continued advance.

Of this budget nearly 20 million dollars will be for operating expenses to provide for support of missionaries and the work projected in 59 countries.

By the end of the year 1965 there will have been sent afield the largest number of missionaries in the history of the Foreign Mission Board.

Missionary support calls for the largest portion of the budget. Much more is required than the basic salaries and child allowances. Cost-of-living supplements are necessary all over the world in order to provide adequately for God's servants.

Of the funds provided for work on the fields the largest section is for evangelism and church development. Winning persons to Christ and growing New Testament churches are considered the chief objectives in Mission work. This calls for leadership training; consequently the second

largest portion of the field work funds is to be used for schools, ranging from kindergarten through theological seminary. More than 175,000 students are enrolled in the 1,110 schools on the mission fields.

Funds for medical work make possible hospitals and clinics in places of particular need.

The budget will also call for 5½ million dollars in capital funds for providing necessary church buildings, schools, hospitals, mission residences, and other structures.

A budget of this size is made possible through the Cooperative Program and the Lottie Moon Christmas Offering. These two channels of support undergird the world-encircling ministry carried on by Southern Baptist.

Many persons throughout the Convention wish they could participate personally in the work of missions. How gratifying to know that through the Cooperative Program and the Lottie Moon Christmas Offering it is possible to have a part in the work being done in each of the countries and in each type of ministry.

If the budget of each church could be built around the Great Commission so as to express in action the will of Christ as stated in that divine command, we would see increased efforts emerging on behalf of a lost world to the glory and praise of our Saviour.

God has wonderfully blessed Southern Baptist and we pray that his blessings will continue and be multiplied. Our gratitude for His blessings can best be expressed by sharing liberally with the world the Gospel of Jesus Christ so that all may know that Jesus came to be the Saviour of mankind.

The Foreign Mission Budget of more than 26 million dollars for 1966 will await the response of Southern Baptist to the Great Commission through the Cooperative Program and the Lottie Moon Christmas Offering.

HOME MISSIONS REPORT

(Mrs. Ruth Martin)

Missions is at the very center of the teachings of Jesus Christ, who himself, set the great example of mission work among men and then said, "Go ye into all the world, and preach the gospel to every creature." The world includes the home lands as well as the foreign lands.

Every Christian and every church is under solemn obligation to see to it that the Gospel of Jesus Christ is carried into all parts of the world.

Our Home Missionaries are at the present serving in every state of the United States, and Panama and Canal Zone.

Our Home Mission Board is a mission agency engaged in evangelism through various channels of service. Its ministries, such as chaplaincies; good-will centers; city missions; work among migrants; language groups and Indians extend far beyond what our local churches alone can do.

If we hope to answer the spiritual needs of the world at large we must maintain a strong mission program in our homeland. Let each of us lend our whole-hearted support to our home missionaries through prayer and by offerings through the Annie Armstrong Offering and the Cooperative Program.

STATE MISSIONS REPORT

(Mrs. Edith Martin)

State Missions includes all work being done by Baptists in the State of North Carolina through the North Carolina Baptist Convention.

One of the outstanding works is through the Fruitland Baptist Institute. Here, men are trained to serve the churches in our state. There is a need at the present time for books in the Fruitland library, to help these men broaden their knowledge.

Some of our State Mission work is easy to see, especially the building of churches, hospitals, and colleges. But if we know where to look, we will see the efforts to improve Sunday School, establish Training Unions, Church Music, Evangelism, and other areas of work. There are sixteen different ministries included in State Missions. Each one is explained in this year's Manual of the North Carolina Baptist Convention. Ask your Pastor or W.M.U. president to see this manual.

We are thankful for the work that is being done and to have a part through the Cooperative Program and the special offering in September. But as we look around us and see the lost without Christ and the many needs of the people, we need the love and compassion of Jesus to make effective our work and meet increasing needs. The heart of missions is winning the lost to Christ.

REPORT ON EVANGELISM

(W. H. Stogner)

Churches in the North Carolina Baptist State Convention reported 27,346 baptisms in 1963 and 29,725 baptisms in 1964—a gain of 2,379 or 9%. Churches in the Montgomery Association reported 162 baptisms in 1963 and 139 baptisms in 1964—a loss of 23. This year the churches in our association reported 104 baptisms—a loss of 35 under 1964.

The theme adopted by the Southern Baptist Convention for the year 1966 is, "Proclamation and Witness." In our association this theme actually begins October 1 with the new associational year.

The President of the Southern Baptist Convention, Dr. Wayne Dehoney, says: "The major issue facing us is whether the Southern Baptist Convention as the largest Protestant denomination, is going to accept its roll and launch the greatest evangelistic thrust in history." No informed child of God would argue with Dr. Dehoney about this being the "major issue" before us. The purpose of our theme for the year ahead is to help get us aimed and moving toward this objective.

The evangelistic thrust needed now waits not on new methods but on new men. Men and women who have been made new in Christ Jesus and are totally committed and surrendered to Jesus Christ in mind, body and soul. Materials and programs that are available to the churches from our denomination are listed below but each church should decide on the objective and course it is convinced the Holy Spirit has appointed for it to pursue in its witness for Christ in the community and the world today. Materials and helps in the work of evangelism may be requested as needed from the Division of Evangelism, Baptist State Convention, Raleigh, North Carolina.

CHRISTIAN EDUCATION REPORT

(William Puckett)

During the past year the contribution of Baptist colleges to Christian lay-leadership in church and community has been emphasized. Our seven Baptist colleges to date have graduated more than 45,000 men and women. Many of these graduates are not only filling responsible places of

leadership in their Churches, but are exerting a profound influence on the religious, moral, and ethical life of the communities in which they live. All during the past year the Council on Christian Education has received testimonies from teachers, doctors, lawyers, industrialists, artists, homemakers, and many other categories too numerous to name. All of these testimonies have asserted two things: attending a Christian college gives a closer tie to the local church, and a greater sense of responsibility for Christian citizenship in the local community.

Baptist colleges also are making a vital contribution to denominational leadership. At the present time more than 500 students in the North Carolina Baptist colleges are volunteers for full time church related vocations and more than 100 of these volunteers plan to be home and foreign missionaries. Because of our Baptist colleges these students will be prepared to give strong and responsible leadership to our churches and denomination in the years to come.

In addition to these services the colleges, their faculties and students, maintain an active interest and participation in our churches. Each week school officials, teachers, and students render valuable service by filling pulpits, teaching study courses, and assisting in the development of stewardship, missions and evangelism.

Last year the seven North Carolina Baptist colleges enrolled 14,395 students. Each year more and more young people are seeking the kind of Christian higher education which our colleges offer. If our colleges are to meet the challenge of today and future days, they need the wholehearted support of all our churches. Certainly they deserve it.

There are several ways in which we can assist and support the Baptist colleges of North Carolina:

1. We can pray for our colleges.
2. We can visit the colleges so that our knowledge of them will be first-hand and not hearsay.
3. We can take a deeper sense of pride in our colleges and urge our Christian young people to attend them.
4. We can give our colleges our financial support. The best way that our churches can support the colleges is through the Cooperative Program. We can also help by increasing our Christian Education Day Offerings. Our colleges need our financial support.

It is hoped that each church in this association will deepen both its gratitude and its support for the Baptist colleges of North Carolina.

BAPTIST FOUNDATION REPORT

During the past four years the Foundation has been actively presented to the Baptists of North Carolina through the associations, churches, group meetings and through other media of communication. Our reception has been a most cordial and pleasant one. When the Baptists are properly and fully informed on any program, they can be depended upon to act wisely. Our main concern during these past four years has been to let our people know exactly what the Foundation is; how it functions; the various classes of people, churches, associations, conventions and agencies it represents as well as putting particular emphasis on Christian will making.

Memorial investments in the Foundation have gone from $60.11 to approximately $450,000. No sum is too small to merit our attention nor

too large to be adequately handled. One of the strong characteristics of the Foundation lies in its fifteen member Board of Directors. These men are businessmen who give their business genius and ability to the work of the Foundation without any remuneration whatsoever. They want to invest a part of their time and talent in this phase of Kingdom work.

It is my great pleasure to assure you that The North Carolina Baptist Foundation, Inc. is a going concern. Our people throughout the State are responding in a very fine manner to the services offered through the Foundation. This report would not be complete if I did not pay particular tribute to the excellent cooperation I have received from the pastors of the Convention. This program cannot succeed without their active participation and they have not hesitated to graciously give aid and comfort to the program. The years ahead look bright. Call on us if we can help you.
